In reviewing any agreements incorporated by reference, please remember that they are included to provide you with information regarding the terms of such agreements and are not intended to provide any other factual or disclosure information about the Company. The agreements may contain representations and warranties by the Company or other parties, which should not in all instances be treated as categorical statements of fact, but rather as a way of allocating the risk to one of the parties if those statements prove to be inaccurate. The representations and warranties were made only as of the date of the relevant agreement or such other date or dates as may be specified in such agreement and are subject to more recent developments. Accordingly, these representations and warranties alone may not describe the actual state of affairs as of the date they were made or at any other time.

FORWARD-LOOKING STATEMENTS

This document contains "forward-looking statements" as that term is used in the Private Securities Litigation Reform Act of 1995. Forward-looking statements address future events, developments and results and are based upon current expectations that involve risks and uncertainties. Any statements contained herein that are not statements of historical fact may be deemed to be forward-looking statements. Forward-looking statements include, without limitation, statements preceded by, followed by or including words such as "believe," "anticipate," "expect," "intend," "plan," "view," "target" or "estimate," "may," "will," "should," "predict," "possible," "potential," "continue," "strategy," and similar expressions.

These forward-looking statements include statements with respect to the Company's vision, mission, strategies, goals, beliefs, plans, objectives, expectations, anticipations, estimates, intentions, financial condition, results of operations, future performance and business of the Company and are not historical facts. Although the Company believes that the expectations reflected in these forward-looking statements are reasonable, these statements are not guarantees of future performance and involve risks and uncertainties which are subject to change based on various important factors (some of which are beyond the Company's control).

Investors should also be aware that while we do, from time to time, communicate with securities analysts and others, it is against our policy to disclose to them any material, nonpublic information or other confidential commercial information. Accordingly, shareholders should not assume that we agree with any statement or report issued by any securities analyst regardless of the content of the statement or report. Furthermore, we have a policy against confirming projections, forecasts or opinions issued by others. Thus, to the extent that reports issued by securities analysts contain any projections, forecasts or opinions, such reports are not our responsibility.

Information regarding important factors that could cause actual results to differ, perhaps materially, from those in our forward-looking statements is contained under "Risk Factors" in Part I, Item 1A of our Annual Report on Form 10-K for the fiscal year ended February 3, 2018, which is incorporated in this prospectus by reference (and in any of our filings with the SEC that are so incorporated). See "Available Information" above for information about how to obtain a copy of these filings.

SUMMARY

This summary highlights selected information about the Company and a general description of the debt securities we may offer. This summary is not complete and does not contain all of the information that may be important to you. For a more complete understanding of us and the terms of the securities we may offer, you should read carefully this entire prospectus, including the "Risk Factors" section, the applicable prospectus supplement for the debt securities and the other documents we refer to and incorporate by reference. In particular, we incorporate business and financial information into this prospectus by reference.

The Debt Securities We May Offer

We may use this prospectus to offer debt securities in one or more offerings and from time to time. A prospectus supplement, which we will provide each time we offer debt securities, will describe the amounts, prices and detailed terms of the debt securities and will describe risks associated with an investment in the debt securities in addition to those noted in the "Risk Factors" section of this prospectus. We will also include in the prospectus supplement, where material, information regarding material U.S. federal income tax consequences relating to the debt securities.

The Company

We are a leading operator of discount variety stores. We believe the convenience and value we offer are key factors in growing our base of loyal customers. At February 3, 2018, we operated 14,835 discount variety retail stores. Our stores operate under the names of Dollar Tree, Family Dollar and Dollar Tree Canada.

On July 6, 2015, we completed our purchase of Family Dollar Stores, Inc. and its more than 8,200 stores. This transformational transaction created the largest discount retailer (by store count) in North America. The Dollar Tree and Family Dollar banners have complementary business models. Everything is \$1.00 at Dollar Tree while Family Dollar is a neighborhood variety store offering merchandise largely for \$10.00 or less. Also, on October 13, 2015, we announced our plans to convert all Deals and Dollar Tree Deals stores to one of our two primary banners, Dollar Tree or Family Dollar. On November 1, 2015, we completed the transaction pursuant to which we divested 330 Family Dollar stores, 325 of which were open at the time of the divestiture, to Dollar Express LLC ("Dollar Express"), a portfolio company of Sycamore Partners, in order to satisfy a condition as required by the Federal Trade Commission in connection with our purchase of Family Dollar.

We operate in two reporting business segments: Dollar Tree and Family Dollar.

Our Dollar Tree segment is the leading operator of discount variety stores offering merchandise at the fixed price point of \$1.00. The Dollar Tree segment includes 6,650 stores operating under the Dollar Tree and Dollar Tree Canada brands, 11 distribution centers in the United States and two in Canada and a Store Support Center in Chesapeake, Virginia. Our stores predominantly range from 8,000 - 10,000 selling square feet. In our Dollar Tree stores in the United States, we sell all items for \$1.00 or less and in our Dollar Tree Canada stores, we sell all items for \$1.25(CAD) or less. Our revenue and assets in Canada are not material.

We strive to exceed our customers' expectations of the variety and quality of products that they can purchase for \$1.00 by offering items that we believe typically sell for higher prices elsewhere. We buy approximately 58% to 60% of our merchandise domestically and import the remaining 40% to 42%. Our domestic purchases include basic, seasonal, home, closeouts and promotional merchandise. We believe our mix of imported and domestic merchandise affords our buyers flexibility that allows them to consistently exceed our customers' expectations. In addition, direct relationships with

manufacturers permit us to select from a broad range of products and customize packaging, product sizes and package quantities that meet our customers' needs.

Our Family Dollar segment operates general merchandise discount retail stores providing customers with a selection of competitively-priced merchandise in convenient neighborhood stores. The Family Dollar segment consists of our store operations under the Family Dollar brand, 11 distribution centers and a Store Support Center in Matthews, North Carolina. Our stores predominantly range from 6,000 - 8,000 selling square feet. In our 8,185 Family Dollar stores, we sell merchandise at prices that generally range from \$1.00 to \$10.00.

Our Family Dollar stores provide customers with a quality, high-value assortment of basic necessities and seasonal merchandise. We offer competitively-priced national brands from leading manufacturers alongside name brand equivalent-value, lower-priced private labels. We purchase merchandise from a wide variety of suppliers and generally have not experienced difficulty in obtaining adequate quantities of merchandise. In fiscal 2017, we purchased approximately 16% of our merchandise through our relationship with McLane Company, Inc., which distributes consumable merchandise from multiple manufacturers. In addition, approximately 18% of our merchandise is imported directly.

Our principal executive offices are located at 500 Volvo Parkway, Chesapeake, Virginia 23320, our telephone number is (757) 321-5000, and our website is www.dollartree.com. Information on our website is not a part of, and we are not incorporating the contents of our website into, this prospectus.

RISK FACTORS

Investment in any securities offered pursuant to this prospectus and the applicable prospectus supplement involves risks. You should carefully consider the risk factors incorporated by reference to our most recent Annual Report on Form 10-K and any subsequent Quarterly Reports on Form 10-Q or Current Reports on Form 8-K and all other information contained or incorporated by reference in this prospectus, as updated by our subsequent filings under the Exchange Act, and the risk factors and other information contained in the applicable prospectus supplement before acquiring any of such securities. The occurrence of any of these risks might cause you to lose all or part of your investment in the offered securities. See also "Forward-Looking Statements."

USE OF PROCEEDS

The Company intends to use the net proceeds from the sale of the debt securities as set forth in the applicable prospectus supplement.

CONSOLIDATED RATIOS OF EARNINGS TO FIXED CHARGES

The following table below presents Dollar Tree's consolidated ratio of earnings to fixed charges for the years ended February 3, 2018, January 28, 2017, January 30, 2016, January 31, 2015 and February 1, 2014. As a result of the acquisition of Family Dollar on July 6, 2015, the earnings and fixed charges data below for the years ended February 3, 2018, January 28, 2017 and January 30, 2016 includes the results of operations of Family Dollar since that date. For purposes of determining the ratio of earnings to fixed charges, earnings consist of income before income taxes plus fixed charges, less capitalized interest. Fixed charges consist of interest expense plus capitalized interest and the portion of rental expense which is representative of interest expense. For purposes of this calculation, management estimates approximately one-third of rent expense is representative of interest expense. The information set forth below should be read together with our financial statements, including the notes thereto, included in our Form 10-K for the fiscal year ended February 3, 2018, which is incorporated in this prospectus by reference.

	Fiscal Year Ended				
	February 3, 2018	January 28, 2017	January 30, 2016	January 31, 2015	February 1, 2014
Earnings to fixed charges:	3.3	2.7	1.5	4.7	6.3

However, we may, at our option, make payments of interest on any registered debt security by check mailed to the address of the person entitled to receive that payment or by wire transfer to an account maintained by the payee with a bank located in the United States. Unless otherwise indicated in the applicable prospectus supplement, no service charge shall be made for any registration of transfer or exchange, redemption or repayment of debt securities, or for any conversion or exchange of debt securities for other securities or property, but we may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with that transaction.

Unless otherwise indicated in the applicable prospectus supplement, we will not be required to:

Global debt securities may be issued in either registered or bearer form and in either temporary or permanent form. Unless and until it is exchanged for individual certificates evidencing debt securities, a global debt security may not be transferred except as a whole by the depository to its nominee or by the nominee to the depository, or by the depository or its nominee to a successor depository or to a nominee of the successor depository.

We anticipate that global debt securities will be deposited with, or on behalf of, DTC and that global debt securities will be registered in the name of DTC's nominee, Cede & Co. All interests in global debt securities deposited with, or on behalf of, DTC will be subject to the operations and procedures of DTC and, in the case of any interests in global debt securities held through Euroclear Bank S.A./N.V. ("Euroclear") or Clearstream Banking, société anonyme ("Clearstream, Luxembourg"), the operations and procedures of Euroclear or Clearstream, Luxembourg, as the case may be. We also anticipate that the following provisions will apply to the depository arrangements with respect to global debt securities. Additional or differing terms of the depository arrangements may be described in the applicable prospectus supplement.

DTC has advised us that it is:

- a limited-purpose trust company organized under the New York Banking Law;

DTC holds securities that its participants deposit with DTC. DTC also facilitates the settlement among its participants of securities transactions, including transfers and pledges, in deposited securities through electronic computerized book-entry changes in participants' accounts, which eliminates the need for physical movement of securities certificates. Direct participants include securities brokers and dealers, banks, trust companies, clearing corporations and other organizations. Access to the DTC system is also available to others, sometimes referred to in this prospectus as indirect participants, that clear transactions through or maintain a custodial relationship with a direct participant either directly or indirectly. Indirect participants include securities brokers and dealers, banks and trust companies. The rules applicable to DTC and its participants are on file with the SEC.

Purchases of debt securities within the DTC system must be made by or through direct participants, which will receive a credit for the debt securities on DTC's records. The ownership interest of the actual purchaser or beneficial owner of a debt security is, in turn, recorded on the direct and indirect participants' records. Beneficial owners will not receive written confirmation from DTC of their purchases, but beneficial owners are expected to receive written confirmations providing details of the transactions, as well as periodic statements of their holdings, from the direct or indirect participants through which they purchased the debt securities. Transfers of ownership interests in debt securities are to be accomplished by entries made on the books of participants acting on behalf of beneficial owners.

Beneficial owners will not receive certificates representing their ownership interests in the debt securities, except under the limited circumstances described below.

To facilitate subsequent transfers, all debt securities deposited by participants with DTC will be registered in the name of DTC's nominee, Cede & Co. The deposit of debt securities with DTC and their registration in the name of Cede & Co. will not change the beneficial ownership of the debt securities. DTC has no knowledge of the actual beneficial owners of the debt securities. DTC's records reflect only the identity of the direct participants to whose accounts the debt securities are credited. Those participants may or may not be the beneficial owners. The participants are responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to direct participants, by direct participants to indirect participants and by direct and indirect participants to beneficial owners will be governed by arrangements among them, subject to any legal requirements in effect from time to time. Redemption notices shall be sent to DTC or its nominee. If less than all of the debt securities of a series are being redeemed, DTC will reduce the amount of the interest of each direct participant in the debt securities under its procedures.

In any case where a vote may be required with respect to the debt securities of any series, neither DTC nor Cede & Co. will give consents for or vote the global debt securities. Under its usual procedures, DTC will mail an omnibus proxy to us after the record date. The omnibus proxy assigns the consenting or voting rights of Cede & Co. to those direct participants to whose accounts the debt securities are credited on the record date identified in a listing attached to the omnibus proxy. Principal and premium, if any, and interest, if any, on the global debt securities will be paid to Cede & Co., as nominee of DTC. DTC's practice is to credit direct participants' accounts on the relevant payment date unless DTC has reason to believe that it will not receive payments on the payment date. Payments by direct and indirect participants to beneficial owners will be governed by standing instructions and customary practices, as is the case with securities held for the account of customers in bearer form or registered in "street name." Those payments will be the responsibility of DTC's direct and indirect participants and not of DTC, us, the Trustee or any underwriters or agents involved in the offering or sale of any debt securities. Payment of principal, premium, if any, and interest, if any, to DTC is our responsibility, disbursement of payments to direct participants is the responsibility of DTC, and disbursement of payments to the beneficial owners is the responsibility of direct and indirect participants.

[Table of Contents](#)

Except under the limited circumstances described below, beneficial owners of interests in a global debt security will not be entitled to have debt securities registered in their names and will not receive physical delivery of debt securities. Accordingly, each beneficial owner must rely on the procedures of DTC to exercise any rights under the debt securities and the Indenture.

The laws of some jurisdictions may require that some purchasers of securities take physical delivery of securities in definitive form. These laws may impair the ability to transfer or pledge beneficial interests in global debt securities.

DTC is under no obligation to provide its services as depository for the debt securities of any series and may discontinue providing its services at any time. None of us, the Trustee or any underwriters or agents involved in the offering or sale of any debt securities will have any responsibility for the performance by DTC or its participants or indirect participants under the rules and procedures governing DTC. As noted above, beneficial owners of interests in global debt securities generally will not receive certificates representing their ownership interests in the debt securities. However, if:

- DTC (i) notifies us that it is unwilling or unable to continue as depository for the global debt securities or (ii) has ceased to be a Clearing Agency registered under the Exchange Act and, in either case, a successor depository is not appointed by us within 120 days;
- we, at our option, deliver to the Trustee an officers' certificate stating that the global debt securities shall be so exchangeable; or
- an event of default with respect to the securities represented by the global debt securities has occurred and is continuing and DTC notifies the Trustee of its decision to exchange the global securities for certificates representing ownership interests in the debt securities represented by such global securities,

we will prepare and deliver certificates for the debt securities of that series in exchange for beneficial interests in the global debt securities of that series. A beneficial interest in a global debt security that is exchangeable under the circumstances described in the preceding sentence will be exchanged for certificated securities issued in authorized denominations in registered form for the same aggregate amount. The certificated securities will be registered in such names and in such authorized denominations as DTC, pursuant to instructions from its direct or indirect participants or otherwise, shall instruct the Trustee.

Clearstream, Luxembourg and Euroclear hold interests on behalf of their participating organizations through customers' securities accounts in Clearstream, Luxembourg's and Euroclear's names on the books of their respective depositories, which hold those interests in customers' securities accounts in the depositories' names on the books of DTC. At the present time, Citibank, N.A. acts as U.S. depository for Clearstream, Luxembourg and JPMorgan Chase Bank, N.A. acts as U.S. depository for Euroclear (the "U.S. Depositories").

Clearstream, Luxembourg holds securities for its participating organizations ("Clearstream Participants") and facilitates the clearance and settlement of securities transactions between Clearstream Participants through electronic book-entry changes in accounts of Clearstream Participants, thereby eliminating the need for physical movement of certificates. Clearstream, Luxembourg provides to Clearstream Participants, among other things, services for safekeeping, administration, clearance and settlement of internationally traded securities and securities lending and borrowing.

Clearstream, Luxembourg is registered as a bank in Luxembourg, and as such is subject to regulation by the Commission de Surveillance du Secteur Financier and the Banque Centrale du Luxembourg, which supervise and oversee the activities of Luxembourg banks. Clearstream Participants are financial institutions including underwriters, securities brokers and dealers, banks, trust companies and clearing corporations, and may include any underwriters or agents involved in the offering or sale of any debt securities or their respective affiliates. Indirect access to Clearstream, Luxembourg is available to other institutions that clear through or maintain a custodial relationship with a Clearstream Participant. Clearstream, Luxembourg has established an electronic bridge with Euroclear as the operator of the Euroclear System (the "Euroclear Operator") in Brussels to facilitate settlement of trades between Clearstream, Luxembourg and the Euroclear Operator.

Distributions with respect to global debt securities held beneficially through Clearstream, Luxembourg will be credited to cash accounts of Clearstream Participants in accordance with its rules and procedures, to the extent received by the U.S. Depository for Clearstream, Luxembourg. Euroclear holds securities and book-entry interests in securities for participating organizations ("Euroclear Participants") and facilitates the clearance and settlement of securities transactions between Euroclear Participants, and between Euroclear Participants and participants of certain other securities intermediaries through electronic book-entry changes in accounts of such participants or other securities intermediaries. Euroclear provides Euroclear Participants, among other things, with safekeeping, administration, clearance and settlement, securities lending and borrowing, and related services. Euroclear Participants are investment banks, securities brokers and dealers, banks, central banks, supranationals, custodians, investment managers, corporations, trust companies and certain other organizations, and may include any underwriters or agents involved in the offering or sale of any debt securities or their respective affiliates. Non-participants in Euroclear may hold and transfer beneficial interests in a global debt security through accounts with a participant in the Euroclear System or any other securities intermediary that holds a book-entry interest in a global debt security through one or more securities intermediaries standing between such other securities intermediary and Euroclear.

Securities clearance accounts and cash accounts with the Euroclear Operator are governed by the Terms and Conditions Governing Use of Euroclear and the related Operating Procedures of the Euroclear System, and applicable Belgian law (collectively, the "Terms and Conditions"). The Terms and Conditions govern transfers of securities and cash within Euroclear, withdrawals of securities and cash from Euroclear and receipts of payments with respect to securities in Euroclear. All securities in Euroclear are held on a fungible basis without attribution of specific certificates to specific securities clearance accounts. The Euroclear Operator acts under the Terms and Conditions only on behalf of Euroclear Participants, and has no record of or relationship with persons holding through Euroclear Participants.

Distributions on interests in global debt securities held beneficially through Euroclear will be credited to the cash accounts of Euroclear Participants in accordance with the Terms and Conditions, to the extent received by the U.S. Depository for Euroclear.

Transfers between Euroclear Participants and Clearstream Participants will be effected in the ordinary way in accordance with their respective rules and operating procedures.

Cross-market transfers between direct participants in DTC, on the one hand, and Euroclear Participants or Clearstream Participants, on the other hand, will be effected through DTC in accordance with DTC's rules on behalf of Euroclear or Clearstream, Luxembourg, as the case may be, by its U.S. Depository; however, such cross-market transactions will require delivery of instructions to Euroclear or Clearstream, Luxembourg, as the case may be, by the counterparty in such system in accordance with the applicable rules and procedures and within the established deadlines (European time) of such system. Euroclear or Clearstream, Luxembourg, as the case may be, will, if the transaction meets its settlement requirements, deliver instructions to its U.S. Depository to take action

[Table of Contents](#)

to effect final settlement on its behalf by delivering or receiving interests in global debt securities in DTC, and making or receiving payment in accordance with normal procedures for same-day fund settlement applicable to DTC. Euroclear Participants and Clearstream Participants may not deliver instructions directly to their respective U.S. Depositories.

Due to time zone differences, the securities accounts of a Euroclear Participant or Clearstream Participant purchasing an interest in a global debt security from a direct participant in DTC will be credited, and any such crediting will be reported to the relevant Euroclear Participant or Clearstream Participant, during the securities settlement processing day (which must be a business day for Euroclear or Clearstream, Luxembourg) immediately following the settlement date of DTC. Cash received in Euroclear or Clearstream, Luxembourg as a result of sales of interests in a global debt security by or through a Euroclear Participant or Clearstream Participant to a direct participant in DTC will be received with value on the settlement date of DTC but will be available in the relevant Euroclear or Clearstream, Luxembourg cash account only as of the business day for Euroclear or Clearstream, Luxembourg following DTC's settlement date.

Euroclear and Clearstream, Luxembourg are under no obligation to perform or to continue to perform the foregoing procedures and such procedures may be discontinued at any time without notice. None of us, the Trustee or any underwriters or agents involved in the offering or sale of any debt securities will have any responsibility for the performance by Euroclear or Clearstream, Luxembourg or their respective participants of their respective obligations under the rules and procedures governing their operations.

The information in this section concerning DTC, Euroclear and Clearstream, Luxembourg and their book-entry systems has been obtained from sources that we believe to be reliable, but we take no responsibility for the accuracy of that information.

Redemption and Repurchase

The debt securities of any series may be redeemable at our option, or may be subject to mandatory redemption by us, as required by a sinking fund or otherwise. In addition, the debt securities of any series may be subject to repurchase or repayment by us, at the option of the holders. The applicable prospectus supplement will describe the terms, the times and the prices regarding any optional or mandatory redemption by us or any repurchase or repayment at the option of the holders of any series of debt securities.

Conversion and Exchange

The terms, if any, on which debt securities of any series are convertible into or exchangeable for our common shares or any other securities or property will be set forth in the applicable prospectus supplement. Such terms may include provisions for conversion or exchange, which may be mandatory, at the option of the holders or at our option. Unless otherwise expressly stated in the applicable prospectus supplement, references in this prospectus and any prospectus supplement to the conversion or exchange of debt securities of any series for our common shares or other securities or property shall be deemed not to refer to or include any exchange of any debt securities of a series for other debt securities of the same series.

Limitations on Mergers and Sales of Assets

Unless otherwise specified in the applicable prospectus supplement, the Indenture provides that we will not, directly or indirectly: (a) consolidate or merge with or into another person (whether or not we are the surviving person) or (b) sell, assign, transfer, lease, convey or otherwise dispose of all or

[Table of Contents](#)

substantially all of the properties or assets owned by us and our subsidiaries taken as a whole, in one or more related transactions, to another person, unless:

- we shall be the continuing entity, or the resulting, surviving or transferee person shall be a corporation, partnership, limited liability company, trust or other entity organized and validly existing under the laws of any domestic or foreign jurisdiction, and such successor person (if not us) shall expressly assume, by a supplemental indenture, executed and delivered to the Trustee, in form reasonably satisfactory to the Trustee, all of our obligations under the debt securities and the Indenture (including, without limitation, the obligation to convert or exchange any debt securities that are convertible into or exchangeable for other securities or property in accordance with the provisions of such debt securities and the Indenture);
- immediately after such transaction, no event of default under the Indenture, and no event which, after notice or passage of time or both would become an event of default under the Indenture, exists; and
- we shall deliver to the Trustee an officers' certificate and an opinion of counsel, each stating that such consolidation, merger, sale, assignment, transfer, lease, conveyance or other disposition and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture comply with the Indenture and that all conditions precedent therein provided relating to such transaction have been complied with.

This will not apply to:

- a merger between us and an affiliate solely for the purpose of reincorporating us in another jurisdiction; or
- any consolidation or merger, or any sale, assignment, transfer, conveyance, lease or other disposition of assets between or among us and our subsidiaries.

In the case of any such merger, consolidation, sale, assignment, transfer, lease, conveyance or other disposition in which we are not the continuing entity and upon execution and delivery by the successor person of the supplemental indenture described above, such successor person shall succeed to, and be substituted for us and may exercise every right and power of ours under the Indenture with the same effect as if such successor person had been named as us therein, and we shall be automatically released and discharged from all obligations and covenants under the Indenture and the debt securities issued under that indenture.

Limitations on Liens

Unless otherwise specified in the applicable prospectus supplement with respect to a particular series of debt securities, the Indenture will provide that we will not, and will not permit any Subsidiary to, incur, issue, assume or guarantee any indebtedness for money borrowed if such indebtedness is secured by a pledge of, lien on or security interest in any shares of Voting Stock of any Significant Subsidiary, whether such Voting Stock is now owned or is hereafter acquired, without providing that the debt securities of such series (together with, if we shall so determine, any other indebtedness or obligations of Dollar Tree or any Subsidiary ranking equally with the debt securities of such series and then existing or thereafter created) shall be secured equally and ratably with such indebtedness. The foregoing limitation shall not apply to indebtedness (1) secured by a pledge of, lien on or security interest in any shares of Voting Stock of any entity at the time it becomes a Significant Subsidiary, (2) of a Subsidiary owed to us or indebtedness of a Subsidiary owed to another Subsidiary, (3) in an amount that, together with all other indebtedness of us and our Subsidiaries similarly secured by liens on shares of Voting Stock pursuant to this clause (3), does not exceed 15% of Consolidated Net Tangible Assets at the time such indebtedness is incurred, issued, assumed or guaranteed and (4) incurred for the sole purpose of extending, renewing, replacing or refinancing indebtedness secured

[Table of Contents](#)

by any lien referred to in the foregoing clauses (1) to (3); provided, however, that the principal amount of indebtedness secured by that lien shall not exceed the principal amount of indebtedness so secured at the time of such extension, renewal, replacement or refinancing, plus any amounts necessary to pay any fees and expenses, including premiums relating to such extension, renewal, replacement or refinancing.

Reports

Unless otherwise specified in the applicable prospectus supplement, the Indenture provides that we will:

- make available to the Trustee and the holders of debt securities of any series copies of the annual reports and of the information, documents and other reports which Dollar Tree may be required to file with the SEC pursuant to Section 13 or 15(d) of the Exchange Act; provided that for this purpose the filing with the SEC of such reports, information and documents shall be sufficient; or
- if Dollar Tree is not then subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act, make available to the Trustee and the holders of the debt securities of any series (including, without limitation, by means of a public or private website) substantially similar periodic information (excluding exhibits) which would be required to be included in periodic reports on Forms 10-K, 10-Q and 8-K (or any successor form or forms) under the Exchange Act within the time periods set forth in the applicable SEC rules and regulations as if we were a non-accelerated filer as defined in such applicable SEC rules and regulations; provided that in each case such information may be subject to exclusions if Dollar Tree in good faith determines that such excluded information would not be material to the interests of the holders of the debt securities of such series (it being understood that the information required by Rule 3-10 of Regulation S-X and Section 13(r) of the Exchange Act is not material).

In the event that any direct or indirect parent company of Dollar Tree becomes a guarantor of the debt securities, the indenture will permit Dollar Tree to satisfy its obligations in this covenant with respect to financial information relating to Dollar Tree by furnishing financial information relating to such parent; provided that the same is accompanied by consolidating information that explains in reasonable detail the differences between the information relating to such parent, on the one hand, and the information relating to Dollar Tree and its Subsidiaries on a standalone basis, on the other hand.

Events of Default

Unless otherwise specified in the applicable prospectus supplement, any of the following events will be events of default with respect to the debt securities of any series:

- (1) default in payment of any interest on, or any Additional Amounts payable in respect of, any of the debt securities of a series when due and payable, and continuance of such default for a period of 30 days;
- (2) default in payment of any principal of, or premium, if any, on, or any Additional Amounts, if any, payable in respect of any principal of or premium, if any, on, any of the debt securities of a series when due;
- (3) default, for 90 days after receipt of written notice given by the Trustee or the holders of not less than 25% in principal amount of the debt securities of a series, in the performance or breach of any covenant in the Indenture for the benefit of the holders of the debt securities of such series (other than a default referred to in clauses (1) and (2) above and other than a covenant which has been included in the Indenture solely for the benefit of a series of debt securities other than such series);

Table of Contents

- (4) default after the expiration of the grace period in the payment of principal when due, or resulting in acceleration of, other indebtedness (other than non-recourse debt) of ours or of any of our Significant Subsidiaries for borrowed money or the payment of which is guaranteed by us or any Significant Subsidiary if the aggregate principal amount with respect to which the default or acceleration has occurred exceeds \$150.0 million and such indebtedness has not been discharged, or such default in payment or acceleration has not been cured or rescinded, prior to written notice of acceleration of the debt securities of such series;
- (5) failure by us or any Significant Subsidiary to pay final judgments entered by a court or courts of competent jurisdiction aggregating in excess of \$150.0 million, which judgments are not paid, discharged or stayed for a period of 60 days after such judgments become final and non-appealable, and in the event such judgment is covered by insurance, an enforcement proceeding has been commenced by any creditor upon such judgment or decree which is not promptly stayed; or
- (6) specified events of bankruptcy or insolvency with respect to us.

No event of default with respect to any particular series of debt securities necessarily constitutes an event of default with respect to any other series of debt securities.

The Indenture provides that the holders of a majority in aggregate principal amount of the outstanding debt securities of any series may waive our compliance with the provisions described above under "—Limitations on Mergers and Sales of Assets" and certain other provisions of the Indenture and, if specified in the prospectus supplement relating to such series of debt securities, any additional covenants applicable to the debt securities of such series. The Indenture also provides that holders of not less than a majority in aggregate of principal amount of the then outstanding debt securities of any series may waive an existing default or event of default with respect to the debt securities of such series, except a default in payment of principal of, or premium, if any, or interest, if any, or Additional Amounts, if any, or sinking fund payments, if any, on debt securities of that series or, in the case of any debt securities which are convertible into or exchangeable for other securities or property, a default in any such conversion or exchange, or a default in respect of a covenant or provision which cannot be modified or amended without the consent of the holder of each outstanding debt security of the affected series. As used in this paragraph, the term "default" means any event which is, or after notice or passage of time or both would become, an event of default with respect to the debt securities of any series.

In the event of any event of default specified in clause (4) above, such event of default and all consequences thereof (excluding any resulting payment default, other than as result of acceleration of the debt securities) shall be annulled, waived and rescinded, automatically and without any action by the Trustee or the holders of the debt securities, if within 20 days after such event of default arose: (1) the indebtedness or guarantee that is the basis for such event of default has been discharged; or (2) holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such event of default; or (3) the default that is the basis for such event of default has been cured.

The Indenture provides that if an event of default (other than an event of default specified in clause (6) above) occurs and is continuing with respect to any series of debt securities, either the Trustee or the holders of more than 25% in principal amount of the debt securities of that series then outstanding may declare the principal of, or if debt securities of that series are original issue discount securities, such lesser amount as may be specified in the terms of that series of debt securities, and accrued and unpaid interest, if any, on all the debt securities of that series to be due and payable immediately. The Indenture provides that if an event of default specified in clause (6) above occurs with respect to any series of debt securities, then the principal of, or if debt securities of that series are original issue discount securities, such lesser amount as may be specified in the terms of that series of

[Table of Contents](#)

debt securities, and accrued and unpaid interest, if any, on all the debt securities of that series will automatically become and be immediately due and payable without any declaration or other action on the part of the Trustee or any holder of the debt securities of that series. However, upon specified conditions, the holders of a majority in principal amount of the debt securities of a series then outstanding may rescind and annul an acceleration of the debt securities of that series and its consequences.

Subject to the provisions of the TIA requiring the Trustee, during the continuance of an event of default under the Indenture, to act with the requisite standard of care, the Trustee is under no obligation to exercise any of its rights or powers under the Indenture at the request or direction of any of the holders of debt securities of any series unless those holders have offered the Trustee indemnity reasonably satisfactory to the Trustee against the costs, fees and expenses and liabilities which might be incurred in compliance with such request or direction. Subject to the foregoing, holders of a majority in principal amount of the outstanding debt securities of any series issued under the Indenture have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee under the Indenture with respect to that series. The Indenture requires our annual filing with the Trustee of a certificate which states whether or not we are in default under the terms of the Indenture. If an event of default occurs and is continuing, any sums held or received by the Trustee under the Indenture may be applied to reimburse the Trustee for its reasonable compensation and expenses incurred prior to any payments to holders of debt securities of such series.

No holder of any debt securities of any series shall have any right to institute any proceeding, judicial or otherwise, with respect to the Indenture, or for the appointment of a receiver or trustee, or for any other remedy under the Indenture, unless:

- the holder gives written notice to the Trustee of a continuing event of default with respect to the debt securities of such series;
- the holders of more than 25% in aggregate principal amount of the outstanding debt securities of such series make a written request to the Trustee to institute proceedings in respect of such event of default;
- the holder or holders offer to the Trustee indemnity reasonably satisfactory to the Trustee against the costs, fees and expenses and liabilities to be incurred in compliance with such request;
- the Trustee for 90 days after its receipt of such notice, request and offer of indemnity fails to institute any such proceeding; and
- no direction inconsistent with such written request is given to the Trustee during such 90-day period by the holders of a majority of the aggregate principal amount of the then outstanding debt securities of such series.

Notwithstanding any other provision of the Indenture, the holder of a debt security will have the right, which is absolute and unconditional, to receive payment of the principal of and premium, if any, and interest, if any, on that debt security on the respective due dates for those payments and, in the case of any debt security which is convertible into or exchangeable for other securities or property, to convert or exchange, as the case may be, that debt security in accordance with its terms, and to institute suit for the enforcement of those payments and any right to effect such conversion or exchange, and this right shall not be impaired without the consent of the holder.

Modification, Waivers and Meetings

From time to time, we and the Trustee, with the consent of the holders of a majority in principal amount of the outstanding debt securities of each series issued under the Indenture and affected by a

[Table of Contents](#)

modification or amendment, may modify, amend, supplement or waive compliance with any of the provisions of the Indenture or of the debt securities of the applicable series or the rights of the holders of the debt securities of that series under the Indenture. However, unless otherwise specified in the applicable prospectus supplement, no such modification, amendment, supplement or waiver may, among other things:

- change the amount of debt securities of any series issued under the Indenture whose holders must consent to any amendment, supplement or waiver;
- reduce the rate of or extend the time for payment of interest (including default interest) on any debt securities issued under the Indenture;
- reduce the principal or change the stated maturity of the principal of, or postpone the date fixed for, the payment of any sinking fund or analogous obligations with respect to any debt securities issued under the Indenture;
- reduce the amount of principal of any original issue discount securities that would be due and payable upon an acceleration of the maturity thereof;
- waive any default or event of default in the payment of the principal of or interest, if any, on any debt securities (except a rescission of acceleration of the debt securities by the holders of at least a majority in principal amount of the outstanding series of such debt securities and a waiver of the payment default that resulted from such acceleration);
- change any place where or the currency in which debt securities are payable;
- make any changes to the provisions of the Indenture relating to waivers of past defaults, rights of holders of debt securities to receive payment or limitations on amendments to the Indenture without the consent of all holders; or
- waive any redemption payment with respect to a debt security of such series;

without in each case obtaining the consent of the holder of each outstanding debt security issued under the Indenture affected by the modification or amendment.

From time to time, we and the Trustee, without the consent of the holders of any debt securities issued under the Indenture, may modify, amend, supplement or waive compliance with any provisions of the Indenture, among other things:

- to cure any ambiguity, defect or inconsistency;
- to provide for uncertificated debt securities in addition to or in place of certificated debt securities;
- to evidence the succession of another person to us under the Indenture and the assumption by that successor of our obligations contained in the Indenture and in the debt securities;
- to add any additional events of default with respect to all or any series of debt securities;
- to secure the debt securities of any series pursuant to the requirements of any covenant on liens in respect of such series or otherwise;
- to change or eliminate any provision of the Indenture, or to add any new provisions to the Indenture, provided that any such change, elimination or addition (A) shall (i) not apply to any debt securities outstanding on the date of such supplemental indenture or (ii) modify the rights of the holder of any debt security with respect to such provision in effect prior to the date of such supplemental indenture or (B) shall become effective only when no debt security of such series remains outstanding;

[Table of Contents](#)

- to make any change that would provide additional rights or benefits to holders of the debt securities of such series or that does not adversely affect the holders' rights under the Indenture in any material respect;
- to comply with requirements of the SEC in order to effect or maintain the qualification of the Indenture under the TIA;
- to provide for the issuance of and establish the form and terms and conditions of debt securities of any series as permitted by the Indenture;
- to evidence and provide for the acceptance of the appointment of a successor trustee in respect of the debt securities of one or more series or to add to or change any of the provisions of the Indenture as are necessary to provide for or facilitate the administration of the Indenture by more than one trustee;
- to add additional guarantors or obligors under the Indenture; or
- to conform any provision of the Indenture or any debt securities or security documents to the description thereof reflected in any prospectus (including this prospectus), prospectus supplement, offering memorandum or similar offering document used in connection with the initial offering or sale of such debt securities to the extent that such description was intended to be a verbatim recitation of a provision of the Indenture, the debt securities or security documents.

We may, but are not obligated to, set a record date for the purpose of determining the identity of holders of the debt securities entitled to consent to any supplement, amendment or waiver permitted by the Indenture or for purposes of determining the holders of the debt securities entitled to join in the giving or making of any notice of default, any declaration of acceleration, any request to institute proceedings or any other similar direction.

Discharge, Defeasance and Covenant Defeasance

Unless otherwise provided in the applicable prospectus supplement, upon our direction, the Indenture shall cease to be of further effect with respect to any series of debt securities issued under the Indenture specified by us, subject to the survival of specified provisions of the Indenture (including the obligation to pay Additional Amounts, if any, and the obligation, if applicable, to exchange or convert debt securities of that series into other securities or property in accordance with their terms) when

- either:
 - all of the debt securities of such series that have been authenticated, except lost, stolen or destroyed debt securities that have been replaced or paid and debt securities for whose payment money has theretofore been deposited in trust and thereafter repaid to us, have been delivered to the Trustee for cancellation; or
 - all of the debt securities of such series that have not been delivered to the Trustee for cancellation have become due and payable by reason of the giving of a notice of redemption or otherwise or will become due and payable within one year or have been called for redemption and we have irrevocably deposited or caused to be deposited with the Trustee as funds in trust solely for the benefit of the holders of such debt securities, cash in U.S. dollars, non-callable U.S. government securities or a combination thereof, in such amounts as will be sufficient, without consideration of any reinvestment of interest, to pay and discharge the entire indebtedness on such debt securities not delivered to the Trustee for cancellation for principal, premium, if any, and accrued interest to the date of maturity or redemption;

Table of Contents

- no default or event of default has occurred and is continuing on the date of such deposit (other than a default or event of default resulting from the borrowing of funds to be applied to such deposit or the grant of any lien securing such borrowing or any similar and simultaneous deposit relating to other indebtedness and, in each case, the granting of liens in connection therewith);
- we have paid or caused to be paid all sums payable by us under the Indenture; and
- we have delivered irrevocable instructions to the Trustee for such debt securities to apply the deposited money toward the payment of such debt securities at maturity or on the redemption date, as the case may be.

Unless otherwise provided in the applicable prospectus supplement, we may elect with respect to any series of debt securities and at any time to have our obligations discharged with respect to the outstanding debt securities of such series ("Legal Defeasance"). Legal Defeasance means that we shall be deemed to have paid and discharged the entire indebtedness represented by the debt securities of such series, and the Indenture shall cease to be of further effect as to all outstanding debt securities of such series, except as to:

- (a) rights of holders of outstanding debt securities of such series to receive payments in respect of the principal of and interest, if any, on the debt securities of such series when such payments are due solely out of the trust funds referred to below;
- (b) our obligations with respect to the debt securities of such series concerning issuing temporary debt securities of such series, registration of debt securities of such series, mutilated, destroyed, lost or stolen debt securities of such series, and the maintenance of an office or agency for payment and money for security payments held in trust;
- (c) the rights, powers, trusts, duties and immunities of the Trustee for such debt securities of such series under the Indenture, and our obligations in connection therewith; and
- (d) the Legal Defeasance provisions of the Indenture.

In addition, we may, at our option and at any time, elect to have our obligations released with respect to substantially all of the covenants under the Indenture, except as described otherwise in the Indenture ("Covenant Defeasance"), and thereafter any omission to comply with such obligations shall not constitute a default or event of default with respect to the debt securities of such series. In the event Covenant Defeasance occurs, certain events of default (not including those described in clause (6) under the heading "Events of Default" above) will no longer constitute an event of default with respect to the debt securities of such series. We may exercise our Legal Defeasance option regardless of whether we have previously exercised Covenant Defeasance.

In order to exercise either Legal Defeasance or Covenant Defeasance:

- (a) we must irrevocably deposit with the Trustee, as trust funds, in trust solely for the benefit of the holders, cash in U.S. dollars, non-callable U.S. government securities or a combination thereof, in such amounts as will be sufficient in the opinion of a nationally recognized investment bank, appraisal firm or firm of independent public accountants, to pay the principal of and interest on the debt securities of such series on the stated date for payment or on the redemption date of the principal or installment of principal of or interest on the debt securities of such series;
- (b) in the case of Legal Defeasance, we shall have delivered to the Trustee an opinion of counsel confirming that:
 - i. we have received from, or there has been published by, the Internal Revenue Service a ruling; or

[Table of Contents](#)

- ii. since the date of the issuance of the debt securities of such series, there has been a change in the applicable U.S. federal income tax law;

in either case to the effect that, and based thereon this opinion of counsel shall confirm that, subject to customary assumptions and exclusions, the holders and beneficial owners of debt securities of such series will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

- (c) in the case of Covenant Defeasance, we shall have delivered to the Trustee an opinion of counsel reasonably acceptable to the Trustee confirming that, subject to customary assumptions and exclusions, the holders and beneficial owners of the debt securities of such series will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;
- (d) no default or event of default shall have occurred and be continuing on the date of such deposit (other than a default or event of default resulting from the borrowing of funds to be applied to such deposit or the grant of any lien securing such borrowing or any similar and simultaneous deposit relating to other indebtedness and, in each case, the granting of liens in connection therewith);
- (e) we shall have delivered to the Trustee an officers' certificate stating that the deposit was not made by us with the intent of preferring the holders of debt securities of such series over any other of our creditors or with the intent of defeating, hindering, delaying or defrauding any of our creditors; and
- (f) we shall have delivered to the Trustee an officers' certificate and an opinion of counsel (which opinion of counsel may be subject to customary assumptions and exclusions), each stating that the conditions provided for in, in the case of the officers' certificate, clauses (a) through (e) and, in the case of the opinion of counsel, clauses (b) and/or (c) of this paragraph have been complied with.

Governing Law

The Indenture and the debt securities will be governed by, and construed in accordance with, the laws of the State of New York.

Regarding the Trustee

We will identify the trustee (if other than the Trustee) with respect to any series of debt securities in the prospectus supplement relating to the applicable debt securities. The TIA limits the rights of a trustee, if the trustee becomes a creditor of ours, to obtain payment of claims or to realize on property received by it in respect of those claims, as security or otherwise. Any trustee is permitted to engage in other transactions with us and our subsidiaries from time to time. However, if a trustee acquires any conflicting interest it must eliminate the conflict upon the occurrence of an event of default under the Indenture or resign as trustee.

The holders of a majority in principal amount of the then outstanding debt securities of any series may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee.

If an event of default occurs and is continuing, the Trustee will be required to use the degree of care and skill of a prudent man in the conduct of his own affairs. The Trustee will become obligated to

[Table of Contents](#)

exercise any of its powers under the Indenture at the request of any of the holders of debt securities only after those holders have offered the Trustee indemnity satisfactory to it.

Certain Definitions

"Capital Stock" means:

- (a) in the case of a corporation, corporate stock;
- (b) in the case of an association or business entity, any and all shares, interests, participations, rights or other equivalents (however designated) of corporate stock;
- (c) in the case of a partnership or limited liability company, partnership interests (whether general or limited) or membership interests; and
- (d) any other interest or participation that confers on a person the right to receive a share of the profits and losses of, or distributions of assets of, the issuing person, but excluding from all of the foregoing any debt securities convertible into Capital Stock, whether or not such debt securities include any right of participation with Capital Stock.

"Consolidated Net Tangible Assets" means Dollar Tree's total assets, less net goodwill and other intangible assets, less total current liabilities, all as described on Dollar Tree's and its consolidated Subsidiaries' most recent balance sheet and calculated based on positions as reported in Dollar Tree's consolidated financial statements in accordance with U.S. generally accepted accounting principles and after giving pro forma effect to any acquisitions or dispositions which occur after such balance sheet date.

"Significant Subsidiary" means a Subsidiary (treated for purposes of this definition on a consolidated basis together with its Subsidiaries) which meets any of the following conditions:

- our and our other Subsidiaries' investments in and advances to the Subsidiary exceed 10% of the total assets of ours and our Subsidiaries consolidated as of the end of the most recently completed fiscal year;
- our and our other Subsidiaries' proportionate share of the total assets (after intercompany eliminations) of the Subsidiary exceeds 10% of the total assets of ours and our Subsidiaries consolidated as of the end of the most recently completed fiscal year; or
- our and our other Subsidiaries' equity in the income from continuing operations before income taxes, extraordinary items and cumulative effect of a change in accounting principles of the Subsidiary exceeds 10% of such income of ours and our Subsidiaries consolidated for the most recently completed fiscal year.

"Subsidiary" of any specified person means any corporation, association or other business entity of which more than 50% of the total voting power of shares of Capital Stock entitled (without regard to the occurrence of any contingency) to vote in the election of directors, managers or trustees thereof is at the time owned or controlled, directly or indirectly, by such person or one or more of the other Subsidiaries of that person or a combination thereof.

"Voting Stock" means Capital Stock the holders of which have general voting power under ordinary circumstances to elect at least a majority of the Board of Directors; provided that, for the purpose of such definition, Capital Stock which carries only the right to vote conditioned on the occurrence of an event shall not be considered Voting Stock whether or not such event shall have occurred.

PLAN OF DISTRIBUTION

Initial Offering and Sale of Debt Securities

We may sell the debt securities from time to time in their initial offering as follows:

- through agents;
- to dealers or underwriters for resale;
- directly to purchasers; or
- through a combination of any of these methods of sale.

In some cases, we, or dealers acting with us or on our behalf, may also purchase debt securities and reoffer them to the public by one or more of the methods described above. This prospectus may be used in connection with any offering of our debt securities through any of these methods or other methods described in the applicable prospectus supplement.

The debt securities distributed by any of these methods may be sold to the public, in one or more transactions, either:

- at a fixed price or prices, which may be changed;
- at market prices prevailing at the time of sale;
- at prices related to prevailing market prices; or
- at negotiated prices.

We may solicit offers to purchase debt securities directly from the public from time to time. We may also designate agents from time to time to solicit offers to purchase debt securities from the public on our behalf. If required, the prospectus supplement relating to any particular offering of debt securities will name any agents designated to solicit offers, and will include information about any commissions we may pay the agents, in that offering. Agents may be deemed to be "underwriters" as that term is defined in the Securities Act of 1933, as amended (the "Securities Act").

From time to time, we may sell debt securities to one or more dealers acting as principals. The dealers, who may be deemed to be "underwriters" as that term is defined in the Securities Act, may then resell those debt securities to the public.

We may sell debt securities from time to time to one or more underwriters, who would purchase the securities as principal for resale to the public, either on a firm-commitment or best-efforts basis. If we sell debt securities to underwriters, we may execute an underwriting agreement with them at the time of sale and will name them in the applicable prospectus supplement. In connection with those sales, underwriters may be deemed to have received compensation from us in the form of underwriting discounts or commissions and may also receive commissions from purchasers of the securities for whom they may act as agents. Underwriters may resell the debt securities to or through dealers, and those dealers may receive compensation in the form of discounts, concessions or commissions from the underwriters and/or commissions from purchasers for whom they may act as agents. The applicable prospectus supplement will include any required information about underwriting compensation we pay to underwriters, and any discounts, concessions or commissions underwriters allow to participating dealers, in connection with an offering of debt securities.

We may authorize underwriters, dealers and agents to solicit from third parties offers to purchase debt securities under contracts providing for payment and delivery on future dates. The applicable prospectus supplement will describe the material terms of these contracts, including any conditions to the purchasers' obligations, and will include any required information about commissions we may pay for soliciting these contracts.

[Table of Contents](#)

Underwriters, dealers, agents and other persons may be entitled, under agreements that they may enter into with us, to indemnification by us against certain liabilities, including liabilities under the Securities Act.

In connection with an offering, the underwriters may purchase and sell debt securities in the open market. These transactions may include short sales, stabilizing transactions and purchases to cover positions created by short sales. Short sales involve the sale by the underwriters of a greater number of securities than they are required to purchase in an offering. Stabilizing transactions consist of certain bids or purchases made for the purpose of preventing or retarding a decline in the market price of the securities while an offering is in progress.

The underwriters also may impose a penalty bid. This occurs when a particular underwriter repays to the underwriters a portion of the underwriting discount received by it because the underwriters have repurchased securities sold by or for the account of that underwriter in stabilizing or short-covering transactions.

These activities by the underwriters may stabilize, maintain or otherwise affect the market price of the debt securities. As a result, the price of the debt securities may be higher than the price that otherwise might exist in the open market. If these activities are commenced, they may be discontinued by the underwriters at any time. These transactions may be effected on an exchange or automated quotation system, if the debt securities are listed on that exchange or admitted for trading on that automated quotation system, or in the over-the-counter market or otherwise.

The underwriters, dealers and agents, as well as their associates, may be customers of or lenders to, and may engage in transactions with and perform services for, us and our subsidiaries in the ordinary course of business.

Matters Relating to Initial Offering and Market-Making Resales

Each series of debt securities will be a new issue, and there will be no established trading market for any debt security prior to its original issue date. We may choose not to list any particular series of debt securities on a securities exchange or quotation system. Any underwriters to whom we sell debt securities for public offering may make a market in those debt securities. However, none of them is obligated to do so, and any of them may stop doing so at any time without notice. No assurance can be given as to the liquidity or trading market for any of the debt securities.

Unless otherwise indicated in the applicable prospectus supplement or confirmation of sale, the purchase price of the debt securities will be required to be paid in immediately available funds in New York City.

In this prospectus, an offering of securities refers to the initial offering of the securities made in connection with their original issuance, and does not refer to any subsequent resales of securities in market-making transactions.

VALIDITY OF OFFERED SECURITIES

Unless otherwise specified in any prospectus supplement, the validity of any offered debt securities will be passed upon for the Company by Wachtell, Lipton, Rosen & Katz, New York, New York, in respect of the laws of the State of New York. In rendering its opinion, Wachtell, Lipton, Rosen & Katz will rely upon the opinion of Williams Mullen as to all matters governed by the laws of the Commonwealth of Virginia.

(1) Pursuant to Rules 456(b) and 457(r), the Company is deferring payment of the registration fee.

* Expenses will depend upon the total number of issuances and the value or number of the securities that may be issued. Accordingly, these expenses cannot be estimated at this time.

Item 15. *Indemnification of Directors and Officers.*

Article 10 of Chapter 9 of Title 13.1 of the Code of Virginia, as amended (the "Virginia Code"), stipulates that, unless limited by its articles of incorporation, a Virginia corporation must indemnify a director or officer who entirely prevails in the defense of any proceeding to which he or she was a party because he or she is or was a director or officer of the corporation against the reasonable expenses incurred in connection with the proceeding. The Virginia Code permits a corporation to indemnify any director or officer for reasonable expenses incurred in any legal proceeding in advance of final disposition of the proceeding, if the director or officer furnishes the corporation with a signed written undertaking to repay any funds advanced if he or she is not entitled to mandatory indemnification and it is ultimately determined that he or she did not meet the relevant standard of conduct. A corporation is permitted to indemnify a director or officer against liability incurred in a proceeding if a determination has been made by the disinterested members of the board of directors, special legal counsel or shareholders that the director or officer conducted himself or herself in good faith and otherwise met the required standard of conduct. To meet the relevant standard of conduct, the Virginia Code provides that the director or officer must have believed, in the case of conduct in his or her official capacity with the corporation, that his or her conduct was in its best interests and, in the case of other conduct, that his or her conduct was at least not opposed to its best interests. In the case of any criminal proceeding, the director or officer must not have had reasonable cause to believe his or her conduct was unlawful. In a proceeding by or in the right of the corporation, no indemnification shall be made in respect of any matter as to which a director or officer is adjudged to be liable to the corporation, except for reasonable expenses incurred in connection with the proceeding if it is determined that the director or officer has met the relevant standard of conduct. In any other proceeding, no indemnification shall be made if the director or officer is adjudged liable to the corporation on the basis that he or she improperly received a personal benefit. Corporations are given the power to make any further indemnity, including indemnity with respect to a proceeding by or in the right of the corporation, and to make additional provision for advances and reimbursement of expenses, to any director or officer that may be authorized by the articles of incorporation or any bylaw made by the shareholders, or any resolution adopted, before or after the event, by the shareholders, except an indemnity against willful misconduct or a knowing violation of the criminal law.

[Table of Contents](#)

The articles of incorporation of the Company (the "charter") provides that, to the full extent that applicable law permits the limitation or elimination of the liability of directors and officers, no director or officer of the Company made a party to any proceeding shall be liable to the Company or its stockholders for monetary damages arising out of any transaction, occurrence or course of conduct, whether occurring prior or subsequent to the effective date of the charter.

The charter provides that, to the full extent permitted by applicable law, the Company will indemnify any past or current director or officer of the Company who was or is a party to any proceeding, including a proceeding brought by or in the right of the Company or brought by or on behalf of the stockholders of the Company, against any liability incurred by him in connection with such proceeding unless he engaged in willful misconduct or a knowing violation of the criminal law. To the same extent, the board is empowered, by a majority vote of a quorum of disinterested directors, to enter into a contract to indemnify any director or officer against liability and to advance or reimburse his expenses in respect to any proceedings arising from any act or omission, whether occurring before or after the execution of such contract. Indemnification is limited to all proceedings commenced after the effective date of the charter that arise from any act or omission, whether occurring before or after such effective date. The Company maintains a standard policy of officers' and directors' liability insurance.

Item 16. Exhibits and Financial Statement Schedules.

The list of exhibits is set forth under "Exhibit Index" at the end of this registration statement and is incorporated herein by reference.

Item 17. Undertakings.

The undersigned registrant hereby undertakes:

- (1) to file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:
 - (i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
 - (ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and
 - (iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (1)(i), (1)(ii) and (1)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Company pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

[Table of Contents](#)

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

- (i) each prospectus filed by a Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and
- (ii) each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of the registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which the prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of a Registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned Registrant undertakes that in a primary offering of securities of such undersigned Registrant pursuant to this Registration Statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, such undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) any preliminary prospectus or prospectus of such undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;
- (ii) any free writing prospectus relating to the offering prepared by or on behalf of such undersigned Registrant or used or referred to by such undersigned Registrant;
- (iii) the portion of any other free writing prospectus relating to the offering containing material information about such undersigned Registrant or its securities provided by or on behalf of such undersigned Registrant; and
- (iv) any other communication that is an offer in the offering made by such undersigned Registrant to the purchaser.

[Table of Contents](#)

(6) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(7) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of a Registrant pursuant to the foregoing provisions, or otherwise, such Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by a Registrant of expenses incurred or paid by a director, officer or controlling person of a Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, such Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

(8) To file an application for the purpose of determining the eligibility of the trustee to act under subsection (a) of section 310 of the Trust Indenture Act ("Act") in accordance with the rules and regulations prescribed by the Commission under section 305(b)(2) of the Act.

All Securities of any one Series need not be issued at the same time and may be issued from time to time, consistent with the terms of this Indenture, if so provided by or pursuant to the Board Resolution, supplemental indenture hereto or Officers' Certificate referred to above, and the authorized principal amount of any Series may be increased to provide for issuances of additional Securities of such Series, unless otherwise provided in such Board Resolution, supplemental indenture or Officers' Certificate.

Section 2.3 Execution and Authentication.

Two Officers shall sign the Securities for the Company by manual or facsimile signature.

If an Officer whose signature is on a Security no longer holds that office at the time the Security is authenticated, the Security shall nevertheless be valid.

A Security shall not be valid until authenticated by the Trustee or an authenticating agent. The signature of the Trustee shall be conclusive evidence that the Security has been authenticated under this Indenture.

The Trustee shall at any time, and from time to time, authenticate Securities for original issue in the principal amount provided in the Board Resolution, supplemental indenture hereto or Officers' Certificate, upon receipt by the Trustee of a Company Order. Each Security shall be dated the date of its authentication unless otherwise provided by a Board Resolution, a supplemental indenture hereto or an Officers' Certificate.

The aggregate principal amount of Securities of any Series outstanding at any time may not exceed any limit upon the maximum principal amount for such Series set forth in the Board Resolution, supplemental indenture hereto or Officers' Certificate delivered pursuant to Section 2.2, except as provided in Section 2.9.

Prior to the issuance of Securities of any Series, the Trustee shall have received and (subject to Section 7.2) shall be fully protected in relying on: (a) the Board Resolution, supplemental indenture hereto or Officers' Certificate establishing the form of the Securities of that Series or of Securities within that Series and the terms of the Securities of that Series or of Securities within that Series, (b) an Officers' Certificate complying with Section 12.4, and (c) an Opinion of Counsel complying with Section 12.4.

The Trustee shall have the right to decline to authenticate and deliver any Securities of such Series: (a) if the Trustee, being advised by counsel, determines that such action may not be taken lawfully; or (b) if the Trustee in good faith by its board of directors or trustees, executive committee or a trust committee of directors and/or vice-presidents shall determine that such action would expose the Trustee to personal liability to Holders of any then outstanding Series of Securities.

The Trustee may appoint an authenticating agent acceptable to the Company to authenticate Securities. An authenticating agent may authenticate Securities whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with the Company or an Affiliate of the Company.

Section 2.4 Registrar and Paying Agent.

The Company shall maintain, with respect to each Series of Securities, at the place or places specified with respect to such Series pursuant to Section 2.2, an office or agency where Securities of such Series may be presented or surrendered for payment ("**Paying Agent**"), where Securities of such Series may be surrendered for registration or transfer or exchange ("**Registrar**") and where notices and demands to or upon the Company in respect of the Securities of such Series and this Indenture may be served ("**Service Agent**"). The Registrar shall keep a register with respect to each Series of Securities and to their transfer and exchange. The Company will give prompt written notice to the Trustee of the name and address, and any change in the name or address, of each Registrar, Paying Agent or Service Agent. If at any time the Company shall fail to maintain any such required Registrar, Paying Agent or Service Agent or shall fail to furnish the Trustee with the name and address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee, and the Company hereby appoints the Trustee as its agent to receive all such presentations, surrenders, notices and demands.

The Company may also from time to time designate one or more co-registrars, additional paying agents or additional service agents and may from time to time rescind such designations; provided, however, that no such designation or rescission shall in any manner relieve the Company of its obligations to maintain a Registrar, Paying Agent and Service Agent in each place so specified pursuant to Section 2.2 for Securities of any Series for such purposes. The Company will give prompt written notice to the Trustee of any such designation or rescission and of any change in the name or address of any such co-registrar, additional paying agent or additional service agent. The term "Registrar" includes any co-registrar; the term "Paying Agent" includes any additional paying agent; and the term "Service Agent" includes any additional service agent.

The Company hereby appoints the Trustee the initial Registrar, Paying Agent and Service Agent for each Series unless another Registrar, Paying Agent or Service Agent, as the case may be, is appointed prior to the time Securities of that Series are first issued.

Section 2.5 Paying Agent to Hold Money in Trust

The Company shall require each Paying Agent other than the Trustee to agree in writing that the Paying Agent will hold in trust, for the benefit of Securityholders of any Series of Securities, or the Trustee, all money held by the Paying Agent for the payment of principal of or interest on the Series of Securities, and will promptly notify the Trustee of any default by the Company in making any such payment. While any such default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. The Company at any time may require a Paying Agent to pay all money held by it to the Trustee. Upon payment over to the Trustee, the Paying Agent (if other than the Company or a Subsidiary of the Company) shall have no further liability for the money. If the Company or a Subsidiary of the Company acts as Paying Agent, it shall segregate and hold in a separate trust fund for the benefit of Securityholders of any Series of Securities all money held by it as Paying Agent.

Section 2.6 Securityholder Lists.

The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Securityholders of each Series of Securities and shall otherwise comply with TIA § 312(a). If the Trustee is not the Registrar, the Company shall furnish, or shall cause the Registrar to furnish, to the

Trustee at least ten days before each interest payment date, but in any event at least once every six months, and at such other times as the Trustee may request in writing a list, in such form and as of such date as the Trustee may reasonably require, of the names and addresses of Securityholders of each Series of Securities.

Section 2.7 Transfer and Exchange.

Where Securities of a Series are presented to the Registrar or a co-registrar with a request to register a transfer or to exchange them for an equal principal amount of Securities of the same Series, the Registrar shall register the transfer or make the exchange if its requirements for such transactions are met. To permit registrations of transfers and exchanges, the Trustee shall authenticate Securities at the Registrar's request. No service charge shall be made for any registration of transfer or exchange (except as otherwise expressly permitted herein), but the Company may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer tax or similar governmental charge payable upon exchanges pursuant to Sections 2.11, 3.6 or 9.6).

Every Security presented or surrendered for registration of transfer or for exchange shall (if so required by the Company or the Registrar) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Company and the Registrar duly executed, by the Holder thereof or his attorney duly authorized in writing.

Neither the Company nor the Registrar shall be required (a) to issue, register the transfer of, or exchange Securities of any Series for the period beginning at the opening of business fifteen days immediately preceding the mailing of a notice of redemption of Securities of that Series selected for redemption and ending at the close of business on the day of such mailing, or (b) to register the transfer of or exchange Securities of any Series selected, called or being called for redemption as a whole or the portion being redeemed of any such Securities selected, called or being called for redemption in part.

Section 2.8 Mutilated, Destroyed, Lost and Stolen Securities.

If any mutilated Security is surrendered to the Trustee, the Company shall execute and the Trustee shall authenticate and make available for delivery in exchange therefor a new Security of the same Series and of like tenor and principal amount and bearing a number not contemporaneously outstanding.

If there shall be delivered to the Company and the Trustee (a) evidence to their satisfaction of the destruction, loss or theft of any Security and (b) such security or indemnity as may be required by them to save each of them and any agent of either of them harmless, then, in the absence of notice to the Company or the Trustee that such Security has been acquired by a bona fide purchaser, the Company shall execute and upon its request the Trustee shall

12

authenticate and make available for delivery, in lieu of any such destroyed, lost or stolen Security, a new Security of the same Series and of like tenor and principal amount and bearing a number not contemporaneously outstanding.

In case any such mutilated, destroyed, lost or stolen Security has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new Security, pay such Security.

Upon the issuance of any new Security under this Section, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Security of any Series issued pursuant to this Section in lieu of any destroyed, lost or stolen Security shall constitute an original additional contractual obligation of the Company, whether or not the destroyed, lost or stolen Security shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities of that Series duly issued hereunder.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities.

Section 2.9 Outstanding Securities.

Subject to Section 2.10, the Securities outstanding at any time are all the Securities authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those reductions in the interest in a Global Security effected by the Trustee in accordance with the provisions hereof and those described in this Section as not outstanding.

If a Security is replaced pursuant to Section 2.8, it ceases to be outstanding until the Trustee receives proof satisfactory to it that the replaced Security is held by a bona fide purchaser.

If the Paying Agent (other than the Company, a Subsidiary of the Company or an Affiliate of the Company) holds as of 11:00 a.m. Eastern Time on the date of Maturity of Securities of a Series or on any day thereafter (in the case money is deposited by the Company following the date of Maturity) money sufficient to pay such Securities payable on such date of Maturity or on any such later date, as the case may be, then on and after such date of Maturity or such later date, as the case may be, such Securities of the Series cease to be outstanding and interest on them ceases to accrue.

A Security does not cease to be outstanding because the Company or an Affiliate of the Company holds the Security.

In determining whether the Holders of the requisite principal amount of outstanding Securities have given any request, demand, authorization, direction, notice, consent or waiver hereunder, the principal amount of a Discount Security that shall be deemed to be outstanding for

13

such purposes shall be the amount of the principal thereof that would be due and payable as of the date of such determination upon a declaration of acceleration of the Maturity thereof pursuant to Section 6.2.

Section 2.10 Treasury Securities.

In determining whether the Holders of the required principal amount of Securities of a Series have concurred in any request, demand, authorization, direction, notice, consent or waiver, Securities of a Series owned by the Company or an Affiliate of the Company shall be disregarded, except that for the purposes of determining whether the Trustee shall be protected in relying on any such request, demand, authorization, direction, notice, consent or waiver only Securities of a Series that a Responsible Officer of the Trustee knows are so owned shall be so disregarded.

Section 2.11 Temporary Securities.

Until definitive Securities are ready for delivery, the Company may prepare and the Trustee shall authenticate temporary Securities upon a Company Order. Temporary Securities shall be substantially in the form of definitive Securities but may have variations that the Company considers appropriate for temporary Securities. Without unreasonable delay, the Company shall prepare and the Trustee upon request shall authenticate definitive Securities of the same Series and date of maturity in exchange for temporary Securities. Until so exchanged, temporary Securities shall have the same rights under this Indenture as the definitive Securities.

Section 2.12 Cancellation.

The Company at any time may deliver Securities to the Trustee for cancellation. The Registrar and the Paying Agent shall forward to the Trustee any Securities surrendered to them for registration of transfer, exchange, replacement or payment. The Trustee shall cancel all Securities surrendered for transfer, exchange, payment, replacement or cancellation and deliver such canceled Securities to the Company, unless the Company otherwise directs; provided that the Trustee shall not be required to destroy such Securities. Except as otherwise permitted by the Indenture, the Company may not issue new Securities to replace Securities that it has paid or delivered to the Trustee for cancellation.

Section 2.13 Defaulted Interest.

If the Company defaults in a payment of interest on a Series of Securities, it shall pay the defaulted interest to the persons who are Securityholders of the Series on a subsequent special record date. The Company shall fix such special record date and the related payment date. At least 15 days before such special record date, the Company shall mail to the Trustee and to each Securityholder of the Series a notice that states such special record date, the related payment date and the amount of interest to be paid. The Company may pay defaulted interest in any other lawful manner.

14

Section 2.14 Special Record Dates.

(a) The Company may, but shall not be obligated to, set a record date for the purpose of determining the identity of Holders entitled to consent to any supplement, amendment or waiver permitted by this Indenture. If a record date is fixed, the Holders of such Series and Securities outstanding on such record date, and no other Holders, shall be entitled to consent to such supplement, amendment or waiver or revoke any consent previously given, whether or not such Holders remain Holders after such record date. No consent shall be valid or effective for more than 120 days after such record date unless consents from Holders of the principal amount of such Series and Securities required hereunder for such amendment or waiver to be effective shall have also been given and not revoked within such 120-day period.

(b) The Company may, but shall not be obligated to, fix any day as a record date for the purpose of determining the Holders of any Series of Securities entitled to join in the giving or making of any notice of Default, any declaration of acceleration, any request to institute proceedings or any other similar direction. If a record date is fixed, the Holders of such Series and Securities outstanding on such record date, and no other Holders, shall be entitled to join in such notice, declaration, request or direction, whether or not such Holders remain Holders after such record date; provided, however, that no such action shall be effective hereunder unless taken on or prior to the date 120 days after such record date.

(c) To the extent reasonably practicable, the Company shall give the Trustee a 15-day advance written notice of any special record date set in accordance with this Section 2.14.

Section 2.15 Global Securities.

(a) Terms of Securities. A Board Resolution, a supplemental indenture hereto or an Officers' Certificate shall establish whether the Securities of a Series shall be issued in whole or in part in the form of one or more Global Securities and the Depository for such Global Security or Securities.

(b) Transfer and Exchange. Notwithstanding any provisions to the contrary contained in Section 2.7 of the Indenture and in addition thereto, a beneficial interest in a Global Security shall be exchangeable pursuant to Section 2.7 of the Indenture for Securities registered in the names of Holders other than the Depository for such Security or its nominee only if (i) such Depository notifies the Company that it is unwilling or unable to continue as Depository for such Global Security or if at any time such Depository ceases to be a clearing agency registered under the Exchange Act, and, in either case, the Company fails to appoint a successor Depository registered as a clearing agency under the Exchange Act within 120 days of such event, (ii) the Company executes and delivers to the Trustee an Officers' Certificate to the effect that such Global Security shall be so exchangeable (subject to the procedures of the Depository) or (iii) an Event of Default with respect to the Securities represented by such Global Security has occurred and is continuing and the Depository notifies the trustee of its decision to so exchange the Global Securities. Any Global Security that is exchangeable pursuant to the preceding sentence shall be exchangeable for Securities registered in such names as the Depository, pursuant to instructions from its direct or indirect participants or otherwise, shall instruct the Trustee in an aggregate principal amount equal to the principal amount of the Global Security with like tenor and terms.

15

Unless and until it is exchanged as set forth in this Section 2.15(b), a Global Security may not be transferred except as a whole by the Depository with respect to such Global Security to a nominee of such Depository, by a nominee of such Depository to such Depository or another nominee of such Depository or by the Depository or any such nominee to a successor Depository or a nominee of such a successor Depository.

(c) Legend. Any Global Security issued hereunder shall bear a legend in substantially the following form:

"Unless this certificate is presented by an authorized representative of The Depository Trust Company, a New York corporation ("DTC"), New York, New York, to the issuer or its agent for registration of transfer, exchange or payment, and any certificate issued is registered in the name of Cede & Co. or such other name as may be requested by an authorized representative of DTC (and any payment is made to Cede & Co. or such other entity as may be requested by an authorized representative of DTC), **ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL** inasmuch as the registered owner hereof, Cede & Co. has an interest herein."

"Transfer of this Global Security shall be limited to transfers in whole, but not in part, to DTC, to nominees of DTC or to a successor thereof or such successor's nominee and limited to transfers made in accordance with the restrictions set forth in the Indenture referred to herein."

(d) Acts of Holders. The Depository, as a Holder, may appoint agents and otherwise authorize participants to give or take any request, demand, authorization, direction, notice, consent, waiver or other action which a Holder is entitled to give or take under the Indenture.

(e) Payments. Notwithstanding the other provisions of this Indenture, unless otherwise specified as contemplated by Section 2.2, payment of the principal of and interest, if any, on any Global Security shall be made to the Holder thereof.

Section 2.16 CUSIP Numbers.

The Company in issuing the Securities may use "CUSIP" and/or other similar security identifying numbers, and, if so, the Trustee shall use "CUSIP" numbers

(and/or any such other security identifying numbers) in notices of redemption as a convenience to Holders; provided that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Securities or as contained in any notice of a redemption and that reliance may be placed only on the other elements of identification printed on the Securities, and any such redemption shall not be affected by any defect in or omission of such numbers.

Section 2.17 Persons Deemed Owners

Prior to due presentment of a Security for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the person in whose name such Security is registered in the register kept by the Registrar as the owner of such Security for the

16

purpose of receiving payment of principal of and (subject to the record date provisions thereof) interest on and any Additional Amounts with respect to, such Security and for all other purposes whatsoever, whether or not any payment with respect to such Security shall be overdue, and none of the Company, the Trustee or any agent of the Company or the Trustee shall be affected by notice to the contrary. The Company, the Trustee and any agent of the Company or the Trustee may treat the bearer of a Bearer Security as the absolute owner thereof for the purpose of receiving payment of principal of and interest on and any Additional Amounts with respect to, such Security and for all other purposes whatsoever, whether or not any payment with respect to such Security shall be overdue, and none of the Company, the Trustee or any agent of the Company or the Trustee shall be affected by notice to the contrary.

No holder of any beneficial interest in any Global Security held on its behalf by a Depository shall have any rights under this Indenture with respect to such Global Security, and such Depository may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the owner of such Global Security for all purposes under this Indenture. None of the Company, the Trustee, any Paying Agent or the Registrar will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests of a Global Security or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests. Notwithstanding the foregoing, nothing herein shall prevent the Company or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository or impair, as between the Depository and its participants, the operation of customary practices of such Depository governing the exercise of the rights of an owner of a beneficial interest in the Global Notes.

ARTICLE III
REDEMPTION

Section 3.1 Notice to Trustee.

The Company may, with respect to any Series of Securities, reserve the right to redeem and pay the Series of Securities or may covenant to redeem and pay the Series of Securities or any part thereof prior to the Stated Maturity thereof at such time and on such terms as provided for in such Securities. If a Series of Securities is redeemable and the Company wants or is obligated to redeem prior to the Stated Maturity thereof all or part of the Series of Securities pursuant to the terms of such Securities, it shall notify the Trustee of the redemption date and the principal amount of Series of Securities to be redeemed. The Company shall give the Trustee notice of the redemption date at least 5 days (or such shorter notice as may be acceptable to the Trustee) before the applicable notice of redemption is to be given to Holders.

Section 3.2 Selection of Securities to be Redeemed

Unless otherwise indicated for a particular Series by a Board Resolution, a supplemental indenture or an Officers' Certificate, if less than all the Securities of a Series are to be redeemed, the Trustee shall select the Securities of the Series to be redeemed by such method as the Trustee shall deem fair and appropriate.

17

In the event of partial redemption, the Trustee shall make the selection from Securities of the Series outstanding not previously called for redemption. The Trustee may select for redemption a portion of the principal amount of any Security of such Series; provided that the unredeemed portion of the principal amount of any Security shall be in an authorized denomination (which shall not be less than the minimum authorized denomination) for such Security. Provisions of this Indenture that apply to Securities of a Series called for redemption also apply to portions of Securities of that Series called for redemption.

Section 3.3 Notice of Redemption.

Unless otherwise indicated for a particular Series by Board Resolution, a supplemental indenture hereto or an Officers' Certificate, at least 15 days but not more than 60 days before a redemption date, the Company shall deliver a notice of redemption to each Holder whose Securities are to be redeemed and if any Bearer Securities are outstanding, publish on one occasion a notice in an Authorized Newspaper, except that redemption notices may be given more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Series of Securities or a satisfaction and discharge of this Indenture pursuant to Articles VIII or XI hereof.

The notice shall identify the Securities of the Series to be redeemed and shall state:

- (a) the redemption date;
- (b) the redemption price (or if not then ascertainable, the manner of calculation thereof);
- (c) the name and address of the Paying Agent;
- (d) that Securities of the Series called for redemption must be surrendered to the Paying Agent to collect the redemption price;
- (e) that interest on Securities of the Series called for redemption ceases to accrue on and after the redemption date;
- (f) the CUSIP number, if any; and
- (g) any other information as may be required by the terms of the particular Series or the Securities of a Series being redeemed.

Any notice of redemption may be given prior to the redemption thereof, any such redemption of notice may, at the Company's discretion, be subject to one or more conditions precedent, including, but not limited to, completion of a qualified equity offering, other financing or other corporation transaction. At the Company's request, the Trustee shall give the notice of redemption in the Company's name and at its expense.

18

Section 3.4 Effect of Notice of Redemption.

Once notice of redemption is mailed or published as provided in Section 3.3, Securities of a Series called for redemption become due and payable on the redemption date and at the redemption price specified in such notice, subject to satisfaction of any condition precedent to such redemption set forth therein. If money sufficient to pay the redemption price of and accrued interest on the Securities of a Series to be redeemed is deposited with the Trustee on or before the redemption date, on and after the redemption date interest will cease to accrue on the Securities of a Series (or such portions thereof) called for redemption and such Securities will cease to be outstanding. Upon surrender to the Paying Agent, such Securities shall be paid at the redemption price plus accrued interest to the redemption date; provided that, unless otherwise specified with respect to such Securities pursuant to Section 2.2 hereof, installments of interest whose Stated Maturity is on or prior to the redemption date shall be payable to the Holders of such Securities (or one or more predecessor Securities) registered at the close of business on the relevant record date therefor according to their terms and the terms of this Indenture.

Section 3.5 Deposit of Redemption Price.

On or before the redemption date, the Company shall deposit with the Paying Agent money sufficient to pay the redemption price of and accrued interest, if any, on all Securities to be redeemed on that date.

Section 3.6 Securities Redeemed in Part.

Upon surrender of a Security that is redeemed in part, the Trustee shall authenticate for the Holder a new Security of the same Series and the same maturity equal in principal amount to the unredeemed portion of the Security surrendered.

ARTICLE IV
COVENANTS

Section 4.1 Payment of Principal and Interest.

The Company covenants and agrees for the benefit of the Holders of each Series of Securities that it will pay or cause to be paid the principal of, and premium, if any, and interest on, the Securities of that Series on the dates and in the manner provided in such Securities. Principal of, and premium, if any, and interest on any Series of Securities will be considered paid on the date due if the Paying Agent, if other than the Company or a Subsidiary thereof, holds as of 11:00 a.m. Eastern Time on the due date money deposited by the Company in immediately available funds and designated for and sufficient to pay all principal, premium, if any, and interest then due.

The Company covenants and agrees for the benefit of the Holders of each Series of Securities that it will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal with respect to such Securities at the rate specified therefor in the Securities.

19

Section 4.2 Additional Amounts.

If any Securities of a Series provide for the payment of Additional Amounts, the Company agrees to pay to the Holder of any such Security Additional Amounts as provided in or pursuant to this Indenture or such Securities. Whenever in this Indenture there is mentioned, in any context, the payment of the principal of or interest on, or in respect of, any Security of any Series, such mention shall be deemed to include mention of the payment of Additional Amounts provided by the terms of such Series established hereby or pursuant hereto to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof pursuant to such terms, and express mention of the payment of Additional Amounts (if applicable) in any provision hereof shall not be construed as excluding Additional Amounts in those provisions hereof where such express mention is not made.

Section 4.3 Maintenance of Office or Agency.

The Company covenants and agrees for the benefit of the Holders of each Series of Securities that it will maintain an office or agency (which may be an office of the Trustee for such Securities or an Affiliate of such Trustee, Registrar for such Securities or co-registrar) in the United States where such Securities may be surrendered for registration of transfer or for exchange and where notices and demands to or upon the Company in respect of such Securities and this Indenture may be served. The Company will give prompt written notice to the Trustee for such Securities of the location, and any change in the location, of such office or agency. If at any time the Company fails to maintain any such required office or agency or fails to furnish such Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of such Trustee.

The Company may also from time to time designate one or more other offices or agencies where Holders of a Series of Securities may present or surrender such Securities for any or all such purposes and may from time to time rescind such designations. The Company will give prompt written notice to the Trustee for such Series of Securities of any such designation or rescission and of any change in the location of any such other office or agency.

With respect to each Series of Securities, the Company hereby designates the Corporate Trust Office of the Trustee for such Securities as one such office or agency of the Company in accordance with Section 2.4 hereof.

Section 4.4 SEC Reports.

Unless otherwise specified with respect to Securities of a particular Series pursuant to Section 2.2, the Company will, so long as any securities of a particular Series are outstanding:

(a) make available to the Trustee and the Holders of Securities of such Series copies of the annual reports and of the information, documents and other reports which the Company may be required to file with the SEC pursuant to Section 13 or 15(d) of the Exchange Act, provided that for this purpose the filing with the SEC of such reports, information and documents shall be sufficient; or

20

(b) if the Company is not then subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act, make available to the Trustee and the Holders of the Securities of such Series (including, without limitation, by means of a public or private website), substantially similar periodic information (excluding exhibits) which would be required to be included in periodic reports on Form 10-K, 10-Q and 8-K (or any successor form or forms) under the Exchange Act within the time periods set forth in the applicable SEC rules and regulations as if the Company were a non-accelerated filer as defined in such applicable SEC rules and regulations, *provided* that in each case such information may be subject to exclusions if the Company in good faith determines that such excluded information would not be material to the interests of the Holders of such Series of Securities (it being understood that the information required by Rule 3-10 of Regulation S-X and Section 13(r) of the Exchange Act is not material).

The delivery of such reports, information and documents to the Trustee pursuant to this Section 4.4 is for informational purposes only and the Trustee's receipt of

such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates).

(c) In the event that any direct or indirect parent company of the Company becomes a guarantor of the Securities of any Series, the Company may satisfy its obligations in this covenant with respect to financial information relating to the Company by furnishing financial information relating to such parent; provided that the same is accompanied by consolidating information that explains in reasonable detail the differences between the information relating to such parent, on the one hand, and the information relating to the Company and its Subsidiaries on a standalone basis, on the other hand.

Section 4.5 Compliance Certificate. (a) The Company and each Guarantor of any Series of Securities (to the extent that such guarantor is so required under the TIA) shall deliver to the Trustee with respect to such Series, within 120 days after the end of each fiscal year, an Officers' Certificate stating that a review of the activities of the Company and its Subsidiaries during the preceding fiscal year has been made under the supervision of the signing Officers with a view to determining whether the Company has kept, observed, performed and fulfilled its obligations under this Indenture, and further stating, as to each such Officer signing such certificate, that to the best of his or her knowledge the Company has kept, observed, performed and fulfilled each and every covenant contained in this Indenture and is not in default in the performance or observance of any of the terms, provisions and conditions of this Indenture (or, if a Default or Event of Default has occurred, describing all such Defaults or Events of Default of which he or she may have knowledge and what action the Company is taking or proposes to take with respect thereto) and that to the best of his or her knowledge no event has occurred and remains in existence by reason of which payments on account of the principal of or interest, if any, on the Series of Securities is prohibited or if such event has occurred, a description of the event and what action the Company is taking or proposes to take with respect thereto.

(b) So long as any Series of Securities is outstanding, the Company will deliver to the Trustee with respect to such Series, within 30 days of any Officer becoming aware of any Default or Event of Default, an Officers' Certificate specifying such Default or Event of Default and what action the Company is taking or proposes to take with respect thereto.

Section 4.6 Waiver of Stay or Extension Laws. The Company covenants and agrees for the benefit of the Holders of each Series of Securities (to the extent that it may lawfully do so) that it will not, and each Guarantor of such Securities will not, at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Company and each such Guarantor (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee for such Securities, but will suffer and permit the execution of every such power as though no such law has been enacted.

Section 4.7 Existence.

Subject to Article V hereof, the Company shall do or cause to be done all things necessary to preserve and keep in full force and effect its legal existence.

21

Section 4.8 Limitation on Liens. Unless otherwise specified with respect to Securities of a particular Series pursuant to Section 2.2, the Company, so long as any securities of a particular Series are outstanding, will not permit any Subsidiary to, incur, issue, assume or guarantee any indebtedness for money borrowed if such indebtedness is secured by a pledge of, lien on or security interest in any shares of Voting Stock of any Significant Subsidiary, whether such Voting Stock is now owned or is hereafter acquired, without providing that the Securities of such Series (together with, if the Company shall so determine, any other indebtedness or obligations of the Company or any Subsidiary ranking equally with the Securities of such Series and then existing or thereafter created) shall be secured equally and ratably with such indebtedness. The foregoing limitation shall not apply to indebtedness:

1. secured by a pledge of, lien on or security interest in any shares of Voting Stock of any entity at the time it becomes a Significant Subsidiary;
2. of a Subsidiary owed to the Company or indebtedness of a Subsidiary owed to another Subsidiary;
3. in an amount that, together with all other indebtedness of the Company and its Subsidiaries similarly secured by liens on shares of Voting Stock pursuant to this clause (3), does not exceed 15% of Consolidated Net Tangible Assets at the time such indebtedness is incurred, issued, assumed or guaranteed; and
4. incurred for the sole purpose of extending, renewing, replacing or refinancing indebtedness secured by any lien referred to in the foregoing clauses (1) to (3); provided, however, that the principal amount of indebtedness secured by that lien shall not exceed the principal amount of indebtedness so secured at the time of such extension, renewal, replacement or refinancing, plus any amounts necessary to pay any fees and expenses, including premiums relating to such extension, renewal, replacement or refinancing.

ARTICLE V
SUCCESSORS

Section 5.1 Merger, Consolidation, or Sale of Assets

The Company covenants and agrees for the benefit of the Holders of each Series of Securities that it shall not, directly or indirectly (a) consolidate or merge with or into another person (whether or not the Company is the surviving person) or (b) sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of the properties or assets owned by the Company and its Subsidiaries taken as a whole, in one or more related transactions, to another person, unless in the case of (a) or (b):

(i) the Company shall be the continuing entity, or the resulting, surviving or transferee person shall be a corporation, partnership, limited liability company, trust or other entity organized and validly existing under the laws of any domestic or foreign jurisdiction, and such successor person (if not the Company) shall expressly assume, by a supplemental indenture, executed and delivered to the Trustee, in form reasonably satisfactory to the Trustee, all the obligations of the Company under the

22

Securities and this Indenture (including, without limitation, the obligation to convert or exchange any Securities that are convertible into or exchangeable for other securities or property in accordance with the provisions of such Securities and this Indenture);

(ii) immediately after such transaction, no Default or Event of Default exists; and

(iii) the Company shall deliver to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger, sale, assignment, transfer, lease, conveyance or other disposition and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture comply with this Article V and that all conditions precedent herein provided for relating to such transaction have been complied with.

This Section 5.1 will not apply to:

- (1) a merger between the Company and an Affiliate solely for the purpose of reincorporating the Company in another jurisdiction; or
- (2) any consolidation or merger, or any sale, assignment, transfer, conveyance, lease or other disposition of assets between or among the Company and its Subsidiaries.

Section 5.2 Successor Person Substituted

Upon any consolidation or merger, or any sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the properties or assets of the Company in a transaction that is subject to, and that complies with the provisions of, Section 5.1 hereof, the successor person formed by such consolidation or into or with which the Company is merged or to which such sale, assignment, transfer, lease, conveyance or other disposition is made shall succeed to, and be substituted for (so that from and after the date of such consolidation, merger, sale, assignment, transfer, lease, conveyance or other disposition, the provisions of this Indenture referring to the "Company" shall refer instead to the successor person and not to the Company), and may exercise every right and power of the Company under this Indenture with the same effect as if such successor person had been named as the Company herein.

ARTICLE VI
DEFAULTS AND REMEDIES

Section 6.1 Events of Default

"**Event of Default**," wherever used herein with respect to Securities of any Series, means any one of the following events, unless in the establishing Board Resolution, supplemental indenture or Officers' Certificate, it is provided that such Series shall not have the benefit of said Event of Default:

and in each case the order or decree remains unstayed and in effect for 60 days; or

- (h) any other Event of Default provided with respect to Securities of that Series, which is specified in a Board Resolution, a supplemental indenture hereto or an Officers' Certificate, in accordance with Section 2.2.

The term "**Bankruptcy Law**" means title 11, U.S. Code or any similar Federal or State law for the relief of debtors. The term "**Custodian**" means any receiver, trustee, assignee, liquidator or similar official under any Bankruptcy Law.

A Default under clause (c) above is not an Event of Default with respect to a particular Series of Securities until the Trustee notifies the Company, or the Holders of more than 25% in principal amount of the then outstanding Securities of that Series notify the Company and the Trustee of the Default, and the Company does not cure the Default within 90 days after receipt of the notice. The notice must specify the Default, demand that it be remedied and state that the notice is a "Notice of Default." Such notice shall be given by the Trustee if so requested in writing by the Holders of more than 25% of the principal amount of the then outstanding Securities of that Series.

In the event of any Event of Default specified in clause (d) above, such Event of Default and all consequences thereof (excluding any resulting payment default, other than as result of acceleration of the notes) shall be annulled, waived and rescinded, automatically and without any action by the Trustee or the Holders of the notes, if

within 20 days after such Event of Default arose: (1) the indebtedness or guarantee that is the basis for such Event of Default has been discharged; or (2) Holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default; or (3) the default that is the basis for such Event of Default has been cured.

Section 6.2 Acceleration.

If an Event of Default with respect to Securities of any Series at the time outstanding occurs and is continuing (other than an Event of Default referred to in Section 6.1(f) or (g)) then in every such case the Trustee or the Holders of more than 25% in principal amount of the outstanding Securities of that Series may declare the principal amount (or, if any Securities of that Series are Discount Securities, such portion of the principal amount as may be specified in the terms of such Securities) of and accrued and unpaid interest, if any, on all of the Securities of that Series to be due and payable immediately, by a notice in writing to the Company (and to the Trustee if given by Holders), and upon any such declaration such principal amount (or specified amount) and accrued and unpaid interest, if any, shall become immediately due and payable. If an Event of Default specified in Section 6.1(f) or (g) shall occur, the principal amount (or specified amount) of and accrued and unpaid interest, if any, on all outstanding Securities shall ipso facto become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder.

At any time after such a declaration of acceleration with respect to any Series has been made, the Holders of a majority in principal amount of the outstanding Securities of that Series,

25

by written notice to the Company and the Trustee, may rescind and annul such declaration and its consequences if the rescission would not conflict with any judgment or decree of a court of competent jurisdiction.

No such rescission shall affect any subsequent Default or impair any right consequent thereon.

Section 6.3 Other Remedies.

If an Event of Default with respect to Securities of any Series at the time outstanding occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal of and, premium, if any, and interest on such Securities or to enforce the performance of any provision of such Securities or this Indenture.

The Trustee for such Securities may maintain a proceeding even if it does not possess any of such Securities or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of Securities in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

Section 6.4 Waiver of Past Defaults.

Holders of not less than a majority in aggregate principal amount of the then outstanding Securities of any Series by notice to the Trustee for such Securities may on behalf of the Holders of all of such Securities waive an existing Default or Event of Default with respect to such Securities and its consequences hereunder, except a continuing Default or Event of Default in the payment of the principal of, or premium, if any, or interest on, such Securities or in respect of a covenant or provision hereof which under Article IX cannot be modified or amended without the consent of the Holder of each outstanding Security of the Series affected; provided, however, that the Holders of a majority in aggregate principal amount of the then outstanding Securities of any Series may rescind an acceleration of such Securities and its consequences, including any related payment default that resulted from such acceleration, in accordance with Section 6.2. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

Section 6.5 Control by Majority.

Holders of a majority in aggregate principal amount of the then outstanding Securities of any Series may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee for such Securities or exercising any trust or power conferred on it. However, the Trustee for any Series of Securities may refuse to follow any direction that conflicts with law or this Indenture that such Trustee determines may be unduly prejudicial to the rights of other Holders of such Securities or that may involve the Trustee in personal liability.

26

Section 6.6 Limitation on Suits.

A Holder of any Series of Securities may pursue a remedy with respect to this Indenture or such Securities only if:

- (a) such Holder gives to the Trustee for such Securities written notice that an Event of Default with respect to such Series is continuing;
- (b) Holders of more than 25% in aggregate principal amount of the then outstanding Securities of such Series make a written request to the Trustee for such Securities to pursue the remedy;
- (c) such Holder or Holders offer and, if requested, provide to the Trustee for such Securities security or indemnity reasonably satisfactory to such Trustee against any loss, liability or expense;
- (d) such Trustee does not comply with the request within 90 days after receipt of the request and the offer of security or indemnity; and
- (e) during such 90-day period, Holders of a majority in aggregate principal amount of the then outstanding Securities of such Series do not give such Trustee a direction inconsistent with such request.

A Holder of any Series of Securities may not use this Indenture to prejudice the rights of another Holder of such Series of Securities or to obtain a preference or priority over another Holder of Securities of such Series.

Section 6.7 Rights of Holders of Securities to Receive Payment

Notwithstanding any other provision of this Indenture, the right of any Holder of a Security of any Series to receive payment of principal of and, premium, if any, and interest on such Securities, on or after the respective due dates expressed in such Securities (including, if applicable, in connection with an offer to purchase), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

Section 6.8 Collection Suit by Trustee.

If an Event of Default specified in Section 6.1(a) or (b) hereof with respect to Securities of any Series occurs and is continuing, the Trustee for such Securities is authorized to recover judgment in its own name and as trustee of an express trust against the Company for the whole amount of principal of and, premium, if any, and interest remaining unpaid on, such Securities and interest on overdue principal and, to the extent lawful, overdue interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of such Trustee, its agents and counsel.

Section 6.9 Trustee May File Proofs of Claim.

The Trustee for each Series of Securities is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of such Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of such Trustee, its agents and counsel) and the Holders of the Securities for which it acts as trustee allowed in any judicial proceedings relative to the Company (or any other obligor upon such Securities), its creditors or its property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder of such Securities to make such payments to such Trustee, and in the event that such Trustee shall consent to the making of such payments directly to such Holders, to pay to such Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of such Trustee, its agents and counsel, and any other amounts due such Trustee under the Indenture. To the extent that the payment of any such compensation, expenses, disbursements and advances of such Trustee, its agents and counsel, and any other amounts due such Trustee out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that such Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize such Trustee to authorize or consent to or accept or adopt on behalf of any Holder for which it acts as trustee any plan of reorganization, arrangement, adjustment or composition affecting the Securities or the rights of such Holder, or to authorize such Trustee to vote in respect of the claim of any such Holder in any such proceeding.

Section 6.10 Priorities.

If the Trustee of any Series of Securities collects any money pursuant to this Article VI, it shall pay out the money in the following order:

First: to the Trustee, its agents and attorneys for amounts due under the Indenture, including payment of all compensation, expenses and liabilities incurred, and all advances made, by the Trustee and the costs and expenses of collection;

Second: to Holders of such Securities for amounts due and unpaid on such Securities for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on such Securities for principal, premium, if any and interest, respectively; and

Third: to the Company or to such party as a court of competent jurisdiction shall direct.

Subject to Section 2.14 hereof, the Trustee may fix a record date and payment date for any payment to Holders of Securities pursuant to this Section 6.10.

Section 6.11 Undertaking for Costs.

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against any Trustee for any action taken or omitted by it as a trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder of a Security pursuant to Section 6.6 hereof, or a suit by Holders of more than 10% in aggregate principal amount of the then outstanding Securities of any Series.

ARTICLE VII
TRUSTEE

Section 7.1 Duties of Trustee.

(a) Subject to Section 7.2(h), if an Event of Default has occurred and is continuing, the Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(i) The Trustee need perform only those duties that are specifically set forth in this Indenture and no others.

(ii) In the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon Officers' Certificates or Opinions of Counsel furnished to the Trustee and conforming to the requirements of this Indenture; however, in the case of any such Officers' Certificates or Opinions of Counsel which by any provisions hereof are specifically required to be furnished to the Trustee, the Trustee shall examine such Officers' Certificates and Opinions of Counsel to determine whether or not they conform to the requirements of this Indenture.

(c) The Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(i) This paragraph does not limit the effect of paragraph (b) of this Section.

(ii) The Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts.

(iii) The Trustee shall not be liable with respect to any action taken, suffered or omitted to be taken by it with respect to Securities of any Series in good faith in accordance with the direction of the Holders of a majority in principal amount of the

outstanding Securities of such Series relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture with respect to the Securities of such Series.

(d) Every provision of this Indenture that in any way relates to the Trustee is subject to paragraph (a), (b) and (c) of this Section.

(e) The Trustee may refuse to perform any duty or exercise any right or power at the request or direction of any Holder unless it receives indemnity satisfactory to it against any loss, liability or expense.

(f) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(g) No provision of this Indenture shall require the Trustee to risk its own funds or otherwise incur any financial liability in the performance of any of its duties, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk is not reasonably assured to it.

(h) The Paying Agent, the Registrar and any authenticating agent shall be entitled to the protections, immunities and standard of care as are set forth in paragraphs (a), (b) and (c) of this Section with respect to the Trustee.

Section 7.2 Rights of Trustee.

(a) The Trustee may rely on and shall be protected in acting or refraining from acting upon any document believed by it to be genuine and to have been signed or presented by the proper person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate.

(c) The Trustee may act through agents and shall not be responsible for the misconduct or negligence of any agent appointed with due care. No Depository shall be deemed an agent of the Trustee and the Trustee shall not be responsible for any act or omission by any Depository.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers, provided that the Trustee's conduct does not constitute negligence or bad faith.

(e) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders of Securities unless such Holders shall have offered to the Trustee reasonable security or indemnity

30

against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction.

(f) The Trustee may consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder without negligence and in good faith and in reliance thereon.

(g) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit.

(h) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Securities generally or the Securities of a particular Series and this Indenture.

(i) The Trustee shall not be required to provide any bond or surety with respect to the execution of these trusts and powers.

Section 7.3 Individual Rights of Trustee.

The Trustee in its individual or any other capacity may become the owner or pledgee of Securities and may otherwise deal with the Company or an Affiliate of the Company with the same rights it would have if it were not Trustee. Any Agent may do the same with like rights. The Trustee is also subject to Sections 7.10 and 7.11.

Section 7.4 Trustee's Disclaimer.

The Trustee makes no representation as to the validity or adequacy of this Indenture or the Securities, it shall not be accountable for the Company's use of the proceeds from the Securities, and it shall not be responsible for any statement in the Securities other than its authentication of such Securities.

Section 7.5 Notice of Defaults.

If a Default or Event of Default occurs and is continuing with respect to the Securities of any Series and if it is known to a Responsible Officer of the Trustee, the Trustee shall mail to each Securityholder of the Securities of that Series and, if any Bearer Securities are outstanding, mail in the manner provided by in TIA § 313(c), notice of a Default or Event of Default within 90 days after it occurs. Except in the case of a Default or Event of Default in payment of principal or interest on any Security of any Series, the Trustee may withhold the notice if and so long as its corporate trust committee or a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of Securityholders of that Series.

31

Section 7.6 Reports by Trustee to Holders

Within 60 days after May 15 in each year following the issuance of a Series of Securities under this Indenture, the Trustee shall transmit by mail to all Securityholders, as their names and addresses appear on the register kept by the Registrar and, if any Bearer Securities are outstanding, transmit by mail in accordance with TIA § 313(c), a brief report dated as of such May 15, in accordance with, and to the extent required under, TIA § 313(a).

A copy of each report at the time of its mailing to Securityholders of any Series shall be filed by the Trustee with the SEC and each stock exchange on which the Securities of that Series are listed, if any. The Company shall promptly notify the Trustee when Securities of any Series are listed on any stock exchange.

Section 7.7 Compensation and Indemnity.

The Company shall pay to the Trustee from time to time such compensation for its services as the Company and the Trustee shall agree upon in writing. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Company shall reimburse the Trustee upon request for all reasonable out-of-pocket expenses incurred by it. Such expenses shall include the reasonable compensation and expenses of the Trustee's agents and counsel.

The Company shall indemnify each of the Trustee and any predecessor Trustee (including the cost of defending itself) against any loss, liability or expense, including taxes (other than taxes based upon, measured by or determined by the income of the Trustee) incurred by it except as set forth in the next paragraph in the performance of its duties under this Indenture as Trustee or Agent. The Trustee shall notify the Company promptly of any claim for which it may seek indemnity. The Company shall defend the claim and the Trustee shall cooperate in the defense. The Trustee may have one separate counsel and the Company shall pay the reasonable fees and expenses of such counsel. The Company need not pay for any settlement made without its consent, which consent shall not be unreasonably withheld. This indemnification shall apply to officers, directors, employees, shareholders and agents of the Trustee.

The Company need not reimburse any expense or indemnify against any loss or liability incurred by the Trustee or by any officer, director, employee, shareholder or agent of the Trustee through negligence or bad faith.

To secure the Company's payment obligations in this Section, the Trustee shall have a lien prior to the Securities of any Series on all money or property held or collected by the Trustee pursuant to Section 8.4, except that held in trust to pay principal of and interest on particular Securities of that Series.

When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.1(f) or (g) occurs, the expenses and the compensation for the services are intended to constitute expenses of administration under any Bankruptcy Law.

The provisions of this Section shall survive the termination of this Indenture.

32

Section 7.8 Replacement of Trustee.

A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section.

The Trustee may resign with respect to the Securities of one or more Series by so notifying the Company at least 30 days prior to the date of the proposed resignation. The Holders of a majority in principal amount of the Securities of any Series may remove the Trustee with respect to that Series by so notifying the Trustee and the Company. The Company may remove the Trustee with respect to Securities of one or more Series if:

- (a) the Trustee fails to comply with Section 7.10;
- (b) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (c) a Custodian or public officer takes charge of the Trustee or its property; or
- (d) the Trustee becomes incapable of acting.

If the Trustee resigns or is removed with respect to the Securities of a Series or if a vacancy exists in the office of Trustee for any reason, the Company shall promptly appoint a successor Trustee with respect to the Securities of such Series. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the then outstanding Securities of such Series may appoint a successor Trustee with respect to the Securities of such Series to replace the successor Trustee appointed by the Company.

If a successor Trustee with respect to the Securities of any one or more Series does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Company or the Holders of at least 10% in principal amount of the Securities of the applicable Series may petition any court of competent jurisdiction for the appointment of a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Immediately after that, the retiring Trustee shall transfer all property held by it as Trustee to the successor Trustee subject to the lien provided for in Section 7.7, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee with respect to each Series of Securities for which it is acting as Trustee under this Indenture. A successor Trustee shall mail a notice of its succession to each Securityholder of each such Series and, if any Bearer Securities are outstanding, publish such notice on one occasion in an Authorized Newspaper. Notwithstanding replacement of the Trustee pursuant to this Section 7.8, the Company's obligations under Section 7.7 hereof shall continue for the benefit of the retiring Trustee with respect to expenses and liabilities incurred by it prior to such replacement.

33

Section 7.9 Successor Trustee by Merger, etc.

If the Trustee consolidates with, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act shall be the successor Trustee.

Section 7.10 Eligibility; Disqualification.

This Indenture shall always have a Trustee who satisfies the requirements of TIA § 310(a)(1) and (2) and does not violate the prohibitions in TIA § 310(a)(5). The Trustee shall always have a combined capital and surplus of at least \$25,000,000 as set forth in its most recent published annual report of condition. The Trustee shall comply with TIA § 310(b).

Section 7.11 Preferential Collection of Claims Against Company.

The Trustee is subject to TIA § 311(a), excluding any creditor relationship listed in TIA § 311(b). A Trustee who has resigned or been removed shall be subject to TIA § 311(a) to the extent indicated.

Section 8.1 Option to Effect Legal Defeasance or Covenant Defeasance.

The Company may at any time elect to have either Section 8.2 or 8.3 hereof be applied to all outstanding Securities of any Series upon compliance with the conditions set forth below in this Article VIII.

Section 8.2 Legal Defeasance and Discharge.

Upon the Company's exercise under Section 8.1 hereof of the option applicable to this Section 8.2, the Company and each Guarantor, if any, of such Securities will, subject to the satisfaction of the conditions set forth in Section 8.4 hereof, be deemed to have been discharged from its or their obligations with respect to all outstanding Securities of such Series (including the related guarantees, if any) on the date the conditions set forth below are satisfied (hereinafter, "**Legal Defeasance**"). For this purpose, Legal Defeasance means that the Company and such Guarantors will be deemed to have paid and discharged the entire indebtedness represented by the outstanding Securities of such Series (including the related guarantees, if any), which will thereafter be deemed to be "outstanding" only for the purposes of Section 8.5 hereof and the other Sections of this Indenture referred to in clauses (a) and (b) below, and to have satisfied all its or their other obligations under such Securities, such guarantees, if any, and this Indenture (and the Trustee for such Securities, on demand of and at the expense of the Company, shall execute proper instruments acknowledging the same), except for the following provisions which will survive until otherwise terminated or discharged hereunder:

(a) the rights of Holders of outstanding Securities of such Series to receive payments in respect of the principal of, or interest or premium, if any, on, such Securities when such payments are due solely out of the trust funds referred to in Section 8.4 hereof;

34

(b) the Company's obligations with respect to such Securities under Article II hereof;

(c) the rights, powers, trusts, duties and immunities of the Trustee for such Securities hereunder and the Company's and the Guarantors', if any, obligations in connection therewith; and

(d) this Article VIII.

Subject to compliance with this Article VIII, the Company may exercise its option under this Section 8.2 notwithstanding the prior exercise of its option under Section 8.3 hereof.

Section 8.3 Covenant Defeasance.

Upon the Company's exercise under Section 8.1 hereof of the option applicable to this Section 8.3, the Company and each of the Guarantors, if any, will, subject to the satisfaction of the conditions set forth in Section 8.4 hereof, be released from each of its or their obligations under the covenants contained in Sections 4.3, 4.4, 4.5, 4.6, 4.7, 4.8 and 5.1, and covenants specified in a Board Resolution, a supplemental indenture hereto or an Officers' Certificate, in accordance with Section 2.2, with respect to the outstanding Securities of the applicable Series on and after the date the conditions set forth in Section 8.4 hereof are satisfied (hereinafter, "**Covenant Defeasance**"), and such Securities will thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders of such Securities (and the consequences of any thereof) in connection with such covenants, but will continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Securities will not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Securities of such Series, the Company may omit to comply with and will have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply will not constitute a Default or an Event of Default under Section 6.1 hereof, but, except as specified above, the remainder of this Indenture and such Securities will be unaffected thereby. In addition, upon the Company's exercise under Section 8.1 hereof of the option applicable to this Section 8.3, subject to the satisfaction of the conditions set forth in Section 8.4 hereof, Sections 6.1(c), (d) and (e) hereof will not constitute an Event of Default.

Section 8.4 Conditions to Legal or Covenant Defeasance.

In order to exercise either Legal Defeasance or Covenant Defeasance under either Section 8.2 or 8.3 hereof with respect to Securities of any Series:

(a) the Company must irrevocably deposit with the Trustee for such Securities, as trust funds, in trust, solely for the benefit of the Holders of such Securities, cash in Dollars, non-callable Government Securities or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized investment bank, appraisal firm, or firm of independent public accountants, to pay the principal of, and premium, if any, and interest on, the outstanding Securities of such Series on the stated date for payment thereof or on the applicable

35

redemption date, as the case may be, and the Company must specify whether such Securities are being defeased to such stated date for payment or to a particular redemption date;

(b) in the case of an election under Section 8.2 hereof, the Company must deliver to the Trustee for such Securities an Opinion of Counsel confirming that:

(1) the Company has received from, or there has been published by, the Internal Revenue Service a ruling; or

(2) since the date of the initial issuance of the Securities of such Series, there has been a change in the applicable U.S. federal income tax law,

in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, subject to customary assumptions and exclusions, the Holders and beneficial owners of the outstanding Securities of such Series will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(c) in the case of an election under Section 8.3 hereof, the Company must deliver to the Trustee for such Securities an Opinion of Counsel reasonably acceptable to the Trustee confirming that, subject to customary assumptions and exclusions, the Holders and beneficial owners of such Securities will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(d) no Default or Event of Default with respect to such Securities shall have occurred and be continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit or the grant of any lien securing such borrowing or any similar and

simultaneous deposit relating to other indebtedness and, in each case, the granting of liens in connection therewith);

(e) the Company must deliver to the Trustee for such Securities an Officers' Certificate stating that the deposit was not made by the Company with the intent of preferring the Holders of such Securities over the other creditors of the Company or with the intent of defeating, hindering, delaying or defrauding any creditors of the Company; and

(f) the Company must deliver to the Trustee for such Securities an Officers' Certificate and an Opinion of Counsel (which opinion of counsel may be subject to customary assumptions and exclusions), each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

36

Section 8.5 Deposited Money and Government Securities to be Held in Trust; Other Miscellaneous Provisions

Subject to Section 8.6 hereof, all money and non-callable Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.5, the "Trustee") pursuant to Section 8.4 hereof in respect of the outstanding Securities of any Series will be held in trust and applied by the Trustee, in accordance with the provisions of such Securities and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as Paying Agent) as the Trustee may determine, to the Holders of such Securities of all sums due and to become due thereon in respect of principal, premium, if any, and interest, but such money need not be segregated from other funds except to the extent required by law.

The Company will pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or non-callable Government Securities deposited pursuant to Section 8.4 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Securities of the applicable Series.

Notwithstanding anything in this Article VIII to the contrary, the Trustee will deliver or pay to the Company from time to time upon the request of the Company any money or non-callable Government Securities held by it as provided in Section 8.4 hereof which, in the opinion of a nationally recognized investment bank, appraisal firm or firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.4 hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 8.6 Repayment to Company.

Any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of, or premium, if any, or interest on, any Series of Securities and remaining unclaimed for one year after such principal, premium, if any, or interest has become due and payable shall be paid to the Company on its request or (if then held by the Company) will be discharged from such trust; and the Holders of such Securities will thereafter be permitted to look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, will thereupon cease; provided, however, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be published once, in an Authorized Newspaper, notice that such money remains unclaimed and that, after a date specified therein, which will not be less than 30 days from the date of such notification or publication, any unclaimed balance of such money then remaining will be repaid to the Company.

37

Section 8.7 Reinstatement.

If, in connection with a Legal Defeasance or Covenant Defeasance, the Trustee or Paying Agent is unable to apply any Dollars or non-callable Government Securities in accordance with Section 8.5, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Company's and any applicable Guarantors' obligations under this Indenture and the applicable Securities and the guarantees will be revived and reinstated as though no deposit had occurred pursuant to Section 8.2 or 8.3 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.5; provided, however, that, if the Company makes any payment of principal of or interest on any such Securities following the reinstatement of its obligations, the Company will be subrogated to the rights of the Holders of such Securities to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE IX
AMENDMENTS AND WAIVERS

Section 9.1 Without Consent of Holders.

Notwithstanding Section 9.2 of this Indenture, the Company and the Trustee may amend or supplement this Indenture or the Securities of one or more Series without the consent of any Securityholder:

- (a) to cure any ambiguity, defect or inconsistency;
- (b) to provide for uncertificated Securities in addition to or in place of certificated Securities;
- (c) to provide for the assumption of the Company's obligations to the Holders of the Securities by a successor to the Company pursuant to Article V hereof;
- (d) to add any additional Events of Default with respect to all or any Series of Securities outstanding hereunder;
- (e) to secure the Securities pursuant to the requirements of any covenant on liens in respect of such series of Securities or otherwise;
- (f) to change or eliminate any of the provisions of this Indenture, or to add any new provision to this Indenture, in respect of one or more series of Securities; provided, however, that any such change, elimination or addition (A) shall neither (i) apply to any Security outstanding on the date of such indenture supplemental hereto nor (ii) modify the rights of the Holder of any such Security with respect to such provision in effect prior to the date of such indenture supplemental hereto or (B) shall become effective only when no Security of such series remains outstanding;
- (g) to make any change that would provide any additional rights or benefits to the Holders of Securities or that does not adversely affect the Holders' rights hereunder in any material respect;

38

- (h) to comply with requirements of the SEC in order to effect or maintain the qualification of this Indenture under the TIA;
- (i) to provide for the issuance of and establish the form and terms and conditions of Securities of any Series as permitted by this Indenture;
- (j) to evidence and provide for the acceptance of appointment hereunder by a successor Trustee with respect to the Securities of one or more Series and to add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee;
- (k) to add an additional Guarantor or obligor under this Indenture; or
- (l) to conform any provision of this Indenture, the Securities of any Series or any related guarantees or security documents to the description of such Securities contained in the Company's prospectus, prospectus supplement, offering memorandum or similar document with respect to the offering of the Securities of such Series to the extent that such description was intended to be a verbatim recitation of a provision in the Indenture, such Securities or any related guarantees or security documents.

Upon the request of the Company and upon receipt by the Trustee of the documents described in Section 12.4 hereof, the Trustee will join with the Company in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee will not be obligated to enter into such amended or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise.

Section 9.2 With Consent of Holders.

The Company and the Trustee may enter into a supplemental indenture with the written consent of the Holders of at least a majority in principal amount of the outstanding Securities of each Series affected by such supplemental indenture (including consents obtained in connection with a tender offer or exchange offer for the Securities of such Series), for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or of any supplemental indenture or of modifying in any manner the rights of the Securityholders of each such Series. Except as provided in Section 6.4, the Holders of at least a majority in principal amount of the outstanding Securities of each Series by notice to the Trustee (including consents obtained in connection with a tender offer or exchange offer for the Securities of such Series) may waive compliance by the Company with any provision of this Indenture or the Securities with respect to such Series.

It shall not be necessary for the consent of the Holders of Securities under this Section 9.2 to approve the particular form of any proposed supplemental indenture or waiver, but it shall be sufficient if such consent approves the substance thereof. Upon the request of the Company and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders of Securities as aforesaid, and upon receipt by the Trustee of the documents described in Section 12.4 hereof, the Trustee will join with the Company in the execution of such amended or supplemental indenture unless such amended or supplemental indenture directly affects the

Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but will not be obligated to, enter into such amended or supplemental Indenture.

After a supplemental indenture or waiver under this section becomes effective, the Company shall promptly deliver to the Holders of Securities affected thereby and, if any Bearer Securities affected thereby are outstanding, publish on one occasion in an Authorized Newspaper, a notice briefly describing the supplemental indenture or waiver. Any failure by the Company to deliver or publish such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture or waiver.

Section 9.3 Limitations.

Without the consent of each Securityholder affected, an amendment, supplement or waiver may not (with respect to any Securities held by a non-consenting Holder):

- (a) change the amount of Securities whose Holders must consent to any amendment, supplement or waiver;
- (b) reduce the rate of or extend the time for payment of interest (including default interest) on any Security;
- (c) reduce the principal or change the Stated Maturity of any Security or reduce the amount of, or postpone the date fixed for, the payment of any sinking fund or analogous obligation;
- (d) reduce the principal amount of Discount Securities payable upon acceleration of the maturity thereof;
- (e) waive a Default or Event of Default in the payment of the principal or of interest, if any, on any Security (except a rescission of acceleration of the Securities of any Series by the Holders of at least a majority in principal amount of the outstanding Securities of such Series and a waiver of the payment default that resulted from such acceleration);
- (f) change any place where or the currency in which any Security is payable;
- (g) make any change in Sections 6.4, 6.7 or 9.3; or
- (h) waive a redemption payment with respect to any Security.

Section 9.4 Compliance with Trust Indenture Act.

Every amendment or supplement to this Indenture or the Securities of one or more Series shall be set forth in an amended or supplemental indenture that complies with the TIA as then in effect.

Section 9.5 Revocation and Effect of Consents.

(a) Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Security is a continuing consent by the Holder and every subsequent Holder of a Security or portion of a Security that evidences the same debt as the consenting Holder's Security, even if notation of the consent is not made on any Security. However, any such Holder subject to Section 2.14(a) may revoke the consent as to his Security or portion of a Security if the Trustee receives the notice of

revocation before the date the amendment, supplement or waiver becomes effective.

(b) Any amendment or waiver once effective shall bind every Securityholder of each Series affected by such amendment or waiver unless it is of the type described in any of clauses (a) through (h) of Section 9.3. In that case, the amendment or waiver shall bind each Holder of a Security who has consented to it and every subsequent Holder of a Security or portion of a Security that evidences the same debt as the consenting Holder's Security.

(c) For purposes of this Indenture, the consent of the Holder of a Global Security shall be deemed to include any consent delivered by any member of, or participant in, any applicable Depository, any nominees thereof and their respective successors and assigns by electronic means in accordance with the Automated Tender Offer Procedures system or other customary procedures of, and pursuant to authorization by, such Depository.

Section 9.6 Notation on or Exchange of Securities

The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Security of any Series thereafter authenticated. The Company in exchange for Securities of that Series may issue and the Trustee shall authenticate upon request new Securities of that Series that reflect the amendment or waiver.

Section 9.7 Trustee Protected.

In executing, or accepting the additional trusts created by, any supplemental indenture permitted by this Article IX or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive, and (subject to Section 7.1) shall be fully protected in relying upon, an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture.

ARTICLE X

Any Series of Securities may be guaranteed by one or more of the Guarantors. The terms and the form of any such guarantee will be established in the manner contemplated by Section 2.2 for that particular Series of Securities.

41

ARTICLE XI

Section 11.1 Satisfaction and Discharge.

This Indenture will be discharged and will cease to be of further effect as to a Series of Securities issued hereunder, when:

(a) either:

(i) all such Securities that have been authenticated, except lost, stolen or destroyed Securities that have been replaced or paid and Securities for whose payment money has theretofore been deposited in trust and thereafter repaid to the Company, have been delivered to the Trustee for cancellation; or

(ii) all such Securities that have not been delivered to the Trustee for cancellation have become due and payable by reason of the giving of a notice of redemption or otherwise or will become due and payable within one year and the Company has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders of such Securities, cash in Dollars, non-callable Government Securities, or a combination thereof, in such amounts as will be sufficient, without consideration of any reinvestment of interest, to pay and discharge the entire indebtedness on such Securities not delivered to the Trustee for cancellation for principal, premium, if any, and accrued interest to the date of maturity or redemption;

(b) no Default or Event of Default has occurred and is continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit or the grant of any lien securing such borrowing or any similar and simultaneous deposit relating to other indebtedness and, in each case, the granting of liens in connection therewith);

(c) the Company or any Guarantor of such Securities has paid or caused to be paid all sums payable by it under this Indenture with respect to such Securities; and

(d) the Company has delivered irrevocable instructions to the Trustee for such Securities under this Indenture to apply the deposited money toward the payment of such Securities at maturity or on the redemption date, as the case may be.

In addition, the Company must deliver an Officers' Certificate and an Opinion of Counsel to the Trustee for such Securities stating that all conditions precedent to satisfaction and discharge have been complied with, and all fees and expenses of the Trustee shall have been paid.

Notwithstanding the satisfaction and discharge of this Indenture, if money has been deposited with the Trustee pursuant to subclause (ii) of clause (a) of this Section 11.1, the provisions of Sections 11.2 and 8.6 hereof will survive. In addition, nothing in this Section 11.1 will be deemed to discharge those provisions of Section 7.7 hereof, that, by their terms, survive the satisfaction and discharge of this Indenture.

42

Section 11.2 Application of Trust Money.

Subject to the provisions of Section 8.6 hereof, all money or Government Securities deposited with the Trustee pursuant to Section 11.1 hereof shall be held in trust and applied by it, in accordance with the provisions of the Securities with respect to with such deposit was made and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as its own Paying Agent) as such Trustee may determine, to the persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law.

If the Trustee or Paying Agent is unable to apply any money or Government Securities in accordance with Section 11.1 hereof by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's and any applicable Guarantor's obligations under this Indenture and the applicable Securities shall be revived and reinstated as though no deposit had occurred pursuant to Section 11.1 hereof; provided that if the Company has made any payment of principal of, or premium, if any, or interest on, any Securities because of the reinstatement of its obligations, the

Company shall be subrogated to the rights of the Holders of such Securities to receive such payment from the money or Government Securities held by the Trustee or Paying Agent.

- f. We express no opinion as to the enforceability of (i) consents to, or restrictions upon, judicial relief; (ii) waivers of rights or defenses with respect to stay, extension or usury laws; (iii) waivers of broadly or vaguely stated rights; (iv) provisions for exclusivity, election or cumulation of rights or remedies; (v) provisions authorizing or validating conclusive or discretionary determinations; (vi) grants of setoff rights; (vii) proxies, powers and trusts; (viii) restrictions upon non-written modifications and waivers; (ix) provisions prohibiting, restricting, or requiring consent to assignment or transfer of any right or property; or (x) provisions for liquidated

damages, default interest, late charges, monetary penalties, make-whole premiums or other economic remedies to the extent such provisions are deemed to constitute a penalty.

- g. In addition, we express no opinion with respect to (i) whether acceleration of the Debt Securities may affect the collectability of that portion of the stated principal amount thereof that might be determined to constitute unearned interest thereon; (ii) compliance with laws relating to permissible rates of interest; or (iii) the creation, validity, perfection or priority of any security interest or lien.

You have informed us that you intend to issue the Debt Securities from time to time on a delayed or continuous basis, and this opinion is limited to the laws, including the rules and regulations, as in effect on the date hereof. We understand that prior to issuing any Debt Securities you will afford us an opportunity to review all operative documents, including the relevant Transaction Documents, pursuant to which such Securities are to be issued (including the applicable prospectus supplement) and will file such supplement or amendment to this opinion (if any) as we may reasonably consider necessary or appropriate by reason of the terms of such Securities.

This opinion is given on the basis of the law and the facts existing as of the date hereof and delivered in accordance with the requirements of Item 601(b)(5) of Regulation S-K under the Act. We assume no obligation to advise you of changes in matters of fact or law which may thereafter occur.
